Isn't it great to read something positive in the newspaper? These are just a sample of the newspaper headlines from 2011 that represented the good that occurs locally because of the Main Street Community Foundation and those that care about the communities of Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott. We have been the community's philanthropic center for 17 years and currently administer over 150 charitable funds. Stewarding assets of \$26.3 million, the foundation has awarded over \$8 million in grants and scholarships since 1995.

2011 was filled with celebrations and milestones including the 10th Anniversary of the Women & Girls' Fund and

5th Anniversary of the Plainville Community Fund. These community endowment funds illustrate the power of visionary leadership to bring members of our communities together in an effort to transform lives and strengthen our local nonprofit organizations who deliver essential programs to local residents. You can read more about the anniversary events and impact of these funds on pages 16 and 19.

The Main Street Community Foundation was recognized on both the national and local levels. In early 2011, the foundation received two awards for excellence in communications from the 2011 Wilmer Shields Rich Awards program, sponsored

by the National Council on Foundations. We received a silver award for our annual report and bronze award for our website. Then in May 2011, the Bristol Historical Society honored the foundation with its Community Service Award.

As the community foundation grows, so does our reliance on volunteers who serve on our board of directors and share their individual and collective expertise to enhance our community philanthropic efforts. In early 2012, we bid farewell to well respected board members Dino Carbone and Dennis Cleary and welcomed new board member Margi Fletcher. To each and all, we are very grateful for their generous donation of time and vast array of talents.

Many caring individuals, families, businesses and organizations have created a community foundation of significance. This

annual report is our opportunity to share with you the stories of our donors and their investments in the communities we serve.

It is also an opportunity to recognize the collective philanthropy of all who supported and continue to support the Main Street Community Foundation so we can continue to build a permanent resource of funding for our local communities - forever.

Sincerely,

Susan D. Sadecki
President & CEO

William J. Tracy, Jr.
Chairman of the Board

We dedicate this Annual Report to Carlyle Fuller "Hap" Barnes (1924-2012) in grateful recognition of his vision and leadership which contributed to the founding of the Main Street Community Foundation.

A founder of Main Street Community Foundation, Hap Barnes, age 87, passed away on January 21, 2012. As cliché as it is, he will never be forgotten by the Greater Bristol community and by everyone associated with Main Street Community Foundation. "It was he, after all, who came up with the name 'Main Street Community Foundation,'" said Sherwood Anderson, founding member,

"when he and a core group of community leaders founded the philanthropic organization in 1995." Surrounded and supported by this core group, Hap applied all of his corporate training and leadership skills to help build the foundation.

His passion and vision were evident in everything Hap did. He was a corporate

leader with a successful business career. He was the City of Bristol's fire commissioner for 36 years and collected firefighting equipment that is now on display in the Museum of Fire History. He played

key roles in many of Bristol's nonprofits and was a true philanthropist. "Most people never witnessed his visits with patients in the hospital emergency room - I did on several occasions and his interactions clearly

qualified him as a 'care giver,'" stated John E. Smith, founding member. "I even had some patients ask 'who was that wonderful man?'"

He touched many lives in our community both directly and indirectly. His warm smile and caring personality will be truly missed and never forgotten.

**"Extraordinary Life:
Hap Barnes:
A Booster, And
Benefactor, For Bristol"**

Since our founding in 1995, endowed gifts and bequests have been the cornerstone of charitable contributions to the Main Street Community Foundation. Each of the following funds established in 2011 reflects a donor's interest or philanthropic objective to leave a legacy and make a difference in one or more of the towns in our service area ~ Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott.

The Women & Girls' Fund Celebrates its 10th Anniversary

"The Women & Girls' Fund taps the power of women to strengthen our communities and our world. We are a primary source of funding, and a catalyst, for initiatives that empower and celebrate women of all ages."

2011 was an exciting year for the Women & Girls' Fund of the Main Street Community Foundation. The Fund celebrated its 10th anniversary in style with two special events, a fundraising challenge and a continued commitment to supporting the many local organizations that share the Women & Girls' Fund's mission of supporting and advancing women and girls in our communities.

The two major events attracted both new and old friends. The 10th Anniversary Wonder of Women (WOW) event featured author and UCONN professor Dr. Gina Barreca, who was the very first WOW speaker 10 years ago. It was a particularly special evening when Noreen Schumann, a former board member of the Main Street Community Foundation and a Women & Girls' Fund Founding Member, announced a generous gift. She committed \$25,000 in matching funds to challenge the Women & Girls' Fund to raise an additional \$25,000 for the endowment by December 31, 2011. Through the ongoing support of the Fund's many donors, the challenge was exceeded and over \$43,000 was raised bringing the endowment to \$368,000 in gifts and pledges. These gifts honor the good work of the more than 80 organizations the Women & Girls' Fund has provided grants to in the communities of Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott during the past 10 years.

"Women & Girls' Fund Hosts 10th Anniversary Event"

The Fund's celebratory year hit new heights with a rocking birthday party, Jeans, Jazz and Jam, held at the Lake Compounce Ballroom. The Honorable Barbara

Hackman Franklin was the Honorary Event Chair and attended with her husband Wally Barnes and many members, spanning generations, of the Barnes

family. During the evening, the Barnes family announced a fantastic surprise: The establishment of a new fund, The Barbara Hackman Franklin Fund for Women, to support the Women & Girls' Fund annual grantmaking.

Around the time of Jeans, Jazz & Jam, another fund was established on the occasion of the 10th Anniversary of the Women & Girls' Fund. John and Susan Scarritt created the John & Gloria DiFrancesco Fund for Women and Girls to honor Susan's parents Gloria and the late John DiFrancesco. The fund will support the Women & Girls' Fund annual grantmaking program.

Many thanks to the Barnes and Scarritt families, all of the anniversary event sponsors, auction item donors and event committees. A special thanks to all of the Women & Girls' Fund's donors who support the Fund through their time, talent or generous donations and, through the Fund, women and girls in their communities.

There are big goals for the Fund as it enters its next decade. Over the past 10 years, the Women & Girls' Fund has provided grants totaling over \$200,000, and it remains steadfast in this continued commitment to its grantee organizations. With a strong foundation, a dedicated Advisory Board and the supportive staff of Main Street Community Foundation, the Women & Girls' Fund looks forward to advancing its vision of empowering women and girls.

2011 scholarship recipients were honored at the Foundation's Scholarship Reception held on June 14, 2011 at the Bristol Public Library.

We gratefully acknowledge the Friends of Main Street listed on this page that generously supported our 2011 annual appeal. This annual campaign, overseen by past board member and founder, Tom Barnes, provides the necessary administrative financial support to advance the charitable activities of the Foundation to better serve our communities.

In appreciation, a donor and friends reception is hosted annually by a Foundation supporter. In 2011, the reception was held on a sunny July evening at the beautiful home of Pattie and Bill Dunn of Southington. Friends of the Foundation enjoyed a fabulous evening poolside. Sincere thanks to Pattie and Bill for their generosity and hospitality. Special thanks to Garrett Printing & Graphics for their generous donation of printing for our invitations. Many thanks to all who support our annual Friends appeal and to all donors who value the work of the foundation. You can be proud of the strong and solid base you have created for the philanthropic future of the communities you care about.

Gift of Life Insurance to Benefit Future Generations

Hal Kilby, the fourteen-year-old Vice President of Immanuel Lutheran School's eighth grade class, presented a donation to the Bristol Brass Foundation on behalf of his peers. "I remember using the word 'modest' to describe the donation, and the adults in the audience laughed," recounted Mr. Kilby, now a veteran history teacher at Bristol's Chippens Hill Middle School (CHMS) with close to thirty years of professional experience. He now realizes that the adults in the audience had a true appreciation for the value of each hard-earned dollar. They perceived the donation to be significant rather than 'modest.' That event was one of Hal Kilby's first forays into philanthropy, and taught him that a person doesn't have to be a millionaire to have a positive, long-term impact on his or her community through charitable giving.

While at a party during the summer of 2010, Hal was listening to a conversation about charitable giving. "I have a life insurance policy with a cash value of \$100,000. Since I hadn't gotten married and don't have any children, I'd been thinking about what to do with the money. I'd considered setting up a scholarship fund, but someone discussed the potential for a different kind of fund that would benefit a larger number of people." Mr. Kilby learned that he could set up a planned gift and designate the Main Street

Community Foundation as the primary beneficiary of this life insurance policy. Upon his death, the life insurance benefit will be used to establish a permanent fund. Hal consulted with his closest friends and they agreed upon a name, **"The Hal Kilby Athletic Endowment Fund."**

Mr. Kilby has been involved in youth athletic programs for decades having coached girls' basketball for over thirty years and football as well. As a young man, he participated in a variety of sports and youth programs. He was named "Boy of the Year" in 1976 at the Bristol Boys and Girls Club. He coached American Legion baseball teams for nineteen years. He has also coached high school softball and tennis. "Research has proven that kids involved in sports programs get into less trouble both in and outside of school. Kids involved in sports

tend to get better grades," explained Mr. Kilby, "Most importantly, the values taught in a sports program transfer to real life. Sports programs help us raise kids to be better at teamwork and to be productive members of society. They learn to give

back to their community."

Hal Kilby was born and lived in Bristol for most of his life. His parents instilled a

sense of community and the importance of helping others by setting an example. "My mom and dad were always volunteering. My mom was active in my school's PTO. When our church went through a rebuilding process, my dad would help at night and on the weekends. He'd be right up on the roof or wherever they needed him, tools in hand." In addition to coaching, Hal follows the example set by his parents by responding to needs as they present themselves. One day, he

was looking out the window of his condo and saw smoke coming from another residential area. Upon learning that the fire was in the home of a student, Hal along with members of the Purple Team at CHMS, together organized an effort with fellow staff to obtain replacement furniture and raise funds for other necessary items. Mr. Kilby honors his father, a World War II veteran, by raising money for the CHMS Veterans' Club to purchase flags for veterans' cemetery plots prior to Memorial Day observances. Mr. Kilby wishes to continue supporting his community by leaving a legacy.

The Hal Kilby Athletic Endowment Fund will benefit the community of Bristol through grants to the Park and Recreation Department, the Boys and Girls Club, American Legion Baseball, and the schools' athletic programs. Examples of potential uses of the funds include, but are not limited to: replacing worn out uniforms, purchasing equipment, making repairs and improvements to athletic facilities, etc. Hal Kilby may view his dedicated community service and planned gift as "modest", but the positive impact of his active involvement in the Bristol community is very significant. The Hal Kilby Athletic Endowment Fund will serve generations of Bristol residents in the years yet to come.

Memorial Gifts, Bequests & Planned Giving/The Cornerstone Society

Memorial Gifts, Bequests and Planned Giving

The Main Street Community Foundation is built on the dreams and desires of people who are part of the Foundation's service area. For some people, the desire to create a legacy comes during their life as a current gift. For others, these legacies are shaped by the donor as future bequests or planned gifts. At still other times, a tragic event, such as a sudden death, will be the impetus for memorial gifts that may then be used as the beginning of an endowed fund in a loved one's name. Large or small, all of these gifts will enhance the quality of life in our community for generations to come.

If you have included the Main Street Community Foundation in your estate plan and would like to be included in the Main Street CornerStone Society, please contact the Foundation office at 860.583.6363.

The Main Street CornerStone Society

A cornerstone provides a strong support to a structure for its future stability. Laying this groundwork for the future is critical. Like this permanent support, CornerStone Society members lay the groundwork for the organizations and causes they care about most and the future stability of the foundation.

The opportunity to give later is simple. You can leave a bequest to the Main Street Community Foundation for the community causes you care about in will or trust, through a retirement plan designation, life insurance designation, remainder interest in real estate, or other planned giving vehicles. We are pleased to recognize the following very generous individuals who have made or have communicated their plans to leave a gift to the Foundation in their will, estate plan or some other deferred gift.
