2014 HIGHLIGHTS

- \$37.8 million in total assets
- \$4 million in contributions received
- \$1.1 million in grants and scholarships to our community
- 194 funds established since 1995
- 200+ volunteers supporting the Main Street Community Foundation
- Honored with a Special Recognition Award for dedication and service to the industry by the New England Spring & Metalstamping Association

Vision, Mission, and Core Values

OUR VISION

To be widely recognized as the comprehensive center for philanthropy in the communities of Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott.

OUR MISSION

To enhance the quality of life for both present and future generations in the communities we serve. We accomplish our mission by encouraging and promoting:

- Gift Planning
- Prudent Stewardship of Assets
- Effective Grantmaking
- Community Leadership

OUR CORE VALUES

Excellence, Integrity, Inclusiveness & Transparency in all we do.

A MESSAGE TO OUR NEIGHBORS

hether you are a longtime supporter or have just heard of the Main Street Community Foundation for the first time, you will find that the Foundation exists to help generous people fulfill their charitable goals—and to make sure every donation finds its way to the most deserving organizations. If you are curious about how to make lasting impact, or have an idea for an initiative to address an urgent need, our door is always open. We invite you to join us.

A tremendous amount of good occurs locally because of the Main Street Community Foundation and those who care about the communities of Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott. We have been the community's philanthropic center for 20 years and currently administer nearly 200 charitable funds. Stewarding assets of \$37.8 million, the Foundation has awarded over \$11 million in grants and scholarships since 1995.

In 2014, the Community Foundation celebrated many accomplishments. We are proud to report that our investment strategy led to a healthy 7% net return. Our financials received an unqualified opinion from the accounting firm, King, King and Associates, PC. In November 2014, our board voted to relocate the Foundation offices in new space to accommodate our growth and better serve all donors and the community. In December 2014, we were honored with a Special Recognition Award for dedication and service to the industry by the New England Spring & Metalstamping Association. This prestigious award recognized our collaborative efforts to advance career pathways and workforce development programs such as the Adult Education Diploma and Certificate (AEDAC) program (see page 17).

Sincerely, Susan D. Sadecki John A. Letizia President & CEO Chairman of the Board

As the Community Foundation grows, so does our reliance on volunteers who serve on our board of directors and committees to enhance our community philanthropic efforts by sharing their individual and collective expertise. In early 2015, board leadership changed as chairperson Janis Neri passed the gavel to John Letizia. We bid farewell to highly respected board members Art Funk, Jr., Dan LaPorte, Mark Peterson, and Bill Tracy, Jr. as we welcomed new board members Dan Daigle, Scott Fournier, Jackie Merchant, and Bill Micari. To each and all, we are very grateful for their generous donation of time, talents and community knowledge.

Many caring individuals, families, businesses and organizations have created a community foundation of significance. This annual report is our opportunity to share with you the stories of our donors and their investments in the communities we serve. It is also an opportunity

to recognize the collective philanthropy of all who supported and continue to support the Main Street Community Foundation so we can continue to build a permanent resource of funding for your local communities – forever.

We dedicate this Annual Report to Robert S. "Bob" Merriman (1918-2015)

in grateful recognition of his vision and leadership which were integral to the founding of the Main Street Community Foundation

A founder of Main Street Community Foundation, a Bristol native, and a longtime Burlington resident, Bob Merriman, age 96, passed away on March 3, 2015.

Bob was a husband, father, grandfather, and avid outdoorsman as well as a visionary, leader and mentor. In the late 1960's, he helped form and run a consortium of foundations, known today as the Connecticut Council for Philanthropy. He saw the good that could result from the realization of a local philanthropic center. In the early 1970's, he approached several other leaders in Greater Bristol and suggested establishing a community foundation.

"Bob always maintained that area people would donate to a community foundation because they would be assured that the money would be kept local and used forever for their intended purposes," said Woody Anderson, another founder of the Community Foundation.

Bob was dedicated to the **Burlington Library and Friends** of Sessions Woods, among other organizations. He was also instrumental in establishing the Burlington Bell Community Fund, a community-based endowment of the Community Foundation.

Bob Merriman

Bob's vision and hard work to promote private action for public good has helped countless individuals, nonprofits and community service organizations. Because of the permanent nature of the Main Street Community Foundation, generations to come will be touched by Bob's wisdom and love for his community.

bequests have been the cornerstone of charitable contributions to the Main Street Community

Foundation. Each of the following funds established in 2014 reflects a donor's interest or philanthropic objective to leave a legacy and make a difference in one or more of the towns in our service area — Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott.

Because of 26 Kindness Award Scholarship Fund

This scholarship fund was established by two Southington residents, Lisa Wrubleski & Erin Furniss. In response to the school shooting in Sandy Hook on December 14, 2012, these two mothers vowed to have their

daughters grow up in a community inspired by beautiful acts of kindness which have emerged from this horrific event. An annual scholarship will be awarded to a Southington High School graduating senior who demonstrates good character, citizenship and kindness to others.

Bristol Libraries Fund

Transferred to the Foundation. this fund will provide support for operating and capital expenditures to the Bristol Public Library in Bristol and the F.N. Manross Memorial Library in Forestville as a supplement to the annual appropriations from the City of Bristol.

Richard M. "Rit" Croce

Rit Croce Academic and Vocational Scholarship Fund

Established by Roxanne Croce, together with family and friends, this fund honors the memory of Richard "Rit" Croce, a lifelong Bristol resident and mentor to many. Rit taught history, social studies and reading at Bristol

Eastern High School for 13 years. In addition to teaching high school students, he worked as a contractor, and the owner/operator of A&C Contractors, which later became known as Ritco Construction. Rit never stopped teaching and was most recently an adjunct professor at Albertus Magnus College. A scholarship will be awarded annually to an adult returning to school or a graduating senior to pursue post secondary education. Preference will be given primarily to adult learners pursuing a skilled trade or major in education.

FUNDS ESTABLISHED IN 2014

Katherine Elizabeth "Katie' Dobroczynski

Katherine Dobroczynski Memorial Scholarship Fund

This scholarship fund honors the memory of Katherine Elizabeth "Katie" Dobroczynski who passed away unexpectedly in 2013 at the young age of 10. Katie was a proud member of the Southington YMCA and loved to swim, fish with her dad and play

golf. She also loved animals and wanted to be a veterinarian. Established by the co-workers of Katie's mother, Christina Dobroczynski, this fund will award a scholarship in the Spring of 2021, the year Katie would have graduated from high school. The scholarship will be available to graduating high school seniors attending Southington High School with preference given to members of the Southington YMCA.

Samuel Goodsell **Library Fund**

Established through a bequest in 1973 from Bristol resident Samuel J. Goodsell, this fund was transferred to the Foundation by the City of Bristol Library Board to administer in perpetuity. Annual distributions will support the acquisition and purchase of books, preferably nonfiction, for the Bristol Public Library.

For Goodness Sake Fund

For Goodness Sake is a Bristolbased nonprofit organization that partners with other organizations to aid individuals and families by providing donated furniture and other household items to those making the transition from homelessness to supportive or

independent living. The Foundation serves as the fiscal sponsor for the organization as it grows, strengthens and expands its operations.

FUNDS ESTABLISHED IN 2014

Frederick N. and Robert H. Manross

Manross Memorial Library Fund

Originally established through bequests from the estates of Colonel Frederick Manross, Robert Manross and Arthur Manross. These funds were transferred to the Foundation by the City of Bristol Library Board to administer in perpetuity. Annual distributions will support operating, capital

expenditures and the purchase of children's and nature books at the F.N. Manross Memorial Library in Forestville as a supplement to the annual appropriations from the City of Bristol.

Memorial Boulevard School Restoration Fund

This fund was established by the City of Bristol to serve as a collection mechanism for donations and grant funds to support the repurpose and refurbishment of the historic Memorial Boulevard School in Bristol including its grounds and theater.

Memorial Boulevard School

Edna, Anne, Madeline and Edmund

Oasis Fund

This fund was established by Michael and Dawn Ganem of Plymouth to honor the memory of Ganem Family siblings Edmund, Madeline, Anne and Edna. Each was known for their devotion to and support of the Town of Plymouth and surrounding communities. The fund will

provide a grant annually to the Town of Plymouth Parks and Recreation Department for charitable purposes that will foster the positive aspects of recreation throughout the community to benefit the physical, social and mental health of Plymouth residents.

"What a man does for himself dies with him. What he does for his community, lives long after he is gone."

- Theodore Roosevelt

Julie A. Roche

Julie A. Roche Nursing Scholarship Fund

Julie A. Roche had a true passion for nursing and was a beloved nurse who passed away in December 2013 after a long and courageous battle with leukemia. Julie spent her entire 26-year career at Bristol

Hospital and her most recent and proud position there was as a critical care nurse in the intensive care unit (ICU). This scholarship fund was established by her family and will award a scholarship annually to a student currently enrolled in a two-year or four-year college with a major in nursing. Applicants must have a passion for the nursing field and must demonstrate leadership skills along with good character and citizenship.

Louise (Humphrey) Van Gorder Music Camp Scholarship Fund

This scholarship fund honors the memory of Louise (Humphrey) Van Gorder. Louise, a lifelong Bristol resident, would annually give a scholarship to a young and talented musician to attend Laurel Music Camp, which she attended as a young girl. Established by her friends and family, this fund

will ensure that Louise's tradition of assisting avid music students will continue. Louise and her husband Bob have enriched the lives of thousands of students and music lovers through their Bristol String Orchestra and business, Fiddlin' Around, located in Bristol. A scholarship will be awarded annually to a music student currently in 9th through 12th grade to attend a one-week camp experience at Laurel Music Camp in New Hartford, CT.

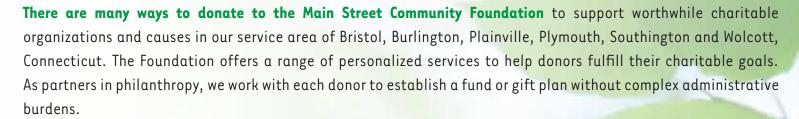

Dr. Joan T. Wallace

Dr. Joan T. Wallace Prize for Highest Achievement in English at Southington **High School**

This fund was established to recognize and promote excellence in all areas of the English language arts by Dr. Wallace, the first coordinator of English Language Arts in the

Southington Public Schools. Dr. Wallace is a lifelong learner and lover of the English language, especially its literature. A scholarship will be awarded annually to the graduating senior at Southington High School with the highest GPA in English/Language Arts who is pursuing postsecondary education at a college or university.

BECOMING A DONOR/ESTABLISHING A FUND

Becoming A Donor

GIVE TO AN EXISTING FUND

A donor can support the Foundation's ongoing work with an unrestricted gift of any amount. Contributions can also be made to any of the Foundation's permanent endowment funds which benefit a diverse range of charitable purposes.

ESTABLISHING A NEW FUND

Our donors are individuals, families, companies and charitable organizations. Donors can establish a fund using a variety of gift giving vehicles including: cash, stock, retirement assets, other tangible personal property, bequests and other planned gifts. The Foundation requires a minimum of \$10,000 to establish a permanently-named fund. This gift can be given as a lump sum or over a period of time during a donor's life. Donors may also leave charitable assets upon their death in the form of a bequest in will or trust, retirement plan designations or beneficiary designation in a life insurance policy. A fund can be established as a permanent endowment or as a temporary fund in which income and principal will be distributed.

DONOR SERVICES

The Main Street Community Foundation provides permanent, professional administration of charitable funds without the expense or effort of establishing a private foundation. The MSCF's assets are professionally managed with oversight by the Investment Committee and Board of Directors. There is no cost to establish a fund. There is a modest management fee which supports the administrative operations of the Foundation. Donor benefits include:

- Choice of fund type and fund name
- Grant making support and counsel
- Administration of gifts and grants
- Maximum tax advantages allowed by law
- Prudent investment management
- Permanent recognition or remain anonymous at donor's discretion

OUR FLEXIBLE FUND OPTIONS INCLUDE:

UNRESTRICTED COMMUNITY FUNDS

Flexible and responsive to emerging and changing community needs. Donors place no restrictions on their gifts and leave decisions about charitable use of the funds to the Foundation.

FIELD OF INTEREST FUNDS

Donors have the opportunity to support a broad category of need such as the arts, healthcare, education, environment or a geographic area. Grant recipients are selected by the Foundation's Distribution Committee.

DONOR ADVISED FUNDS

Donors participate actively in grantmaking by suggesting charitable organizations to receive grants. Foundation staff assist donors by researching grant requests and connecting donors with potential grant recipients.

DESIGNATED FUNDS

Donors designate support for a specific charitable organization. If the named charity ceases to exist, another organization with a similar purpose is selected by the Foundation's Board of Directors to assure their purpose for giving will be honored in perpetuity.

AGENCY ENDOWMENT FUNDS

Established by a nonprofit organization as a means of protecting their charitable dollars for the future and to ensure an annual source of support for their programs and operations.

SCHOLARSHIP FUNDS

Donors can establish a named fund for any level of education. Donors may designate a particular school, field of study and select eligibility criteria.

SUSTAINABILITY FUNDS

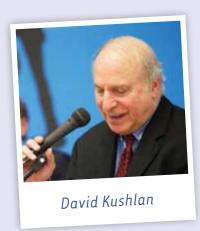

Donors make permanent gifts that strengthen the Foundation's role as a funder, a community leader, convener and advocate.

ADDITIONAL SERVICES

The Foundation can assist private foundations or other grant making institutions in a variety of ways that include:

- Administration of grant making programs
- Project review for funding consideration
- Advisement on community needs and priorities
- Assistance to private foundations to meet pay-out requirements

Bequest Will Add to the Kushlan Family Legacy

"People would knock on my Uncle Charles' door on a Sunday. He would walk with them down to the store, and open it up so they could get the supplies they needed.

People in the whole town knew him. He was truly a man of the people, and of the community," recalls David Kushlan, Charles' nephew.

In 1977, the Charles Kushlan Memorial Fund was established by David Kushlan, on behalf of the Kushlan Family, and transferred to the Main Street Community Foundation in 2006. The Fund provides for The Charles Kushlan Memorial "Youth of the Year Award" at the Boys & Girls Club of Bristol Family Center. In order to be sure this award is given in perpetuity, it was only natural for David to leave a bequest in his estate plan to add additional funds to this permanent source of community capital.

David has not missed an opportunity to give the

award at the Club's Annual Recognition Dinner since the fund was established. "It is probably one of the oldest, consecutively given awards in the City of Bristol," David stated. The award is given to help the recipient accomplish his or her educational and career goals.

In 1919, Charles Kushlan, at the remarkably young age of 19, founded the small, local Bristol Underprice Store on Old North Main Street in Bristol. With a lot of hard work and dedicated staff, he expanded operations to a larger building at the corner of North Main Street, next to the former Bristol Boys & Girls Club building.

During the span of Charles Kushlan's career, he was often praised for both his good business sense and civic leadership. Charles believed the store should provide "a high degree of service to everyone." He upheld that principle by hiring knowledgeable tradesmen to help customers, and maintained a gold standard of customer service and efficiency.

Charles' success as a businessman enabled him to provide support to other family members in their pursuit of educational goals. Charles' brother and David's father, Samuel Kushlan, went on to become a distinguished **Professor of Internal Medicine** at the Yale Medical School in New Haven.

David Kushlan presents the award to the 2015 Youth of the Year, Dyana Tovar.

After Charles died in 1965, David continued to grow the business until his retirement in 1986. During this time, he became an active member of the OM (Older Members) Association of the Bristol Boys & Girls Club. The OMs are a

"Following his Uncle Charles' example, David is a true man of the community."

truly dedicated group that provide direct services all year round to the Club and organize fundraisers such as the annual OM Show in support of the Club.

In 1977, David suggested that a monetary gift be given to the Club's "Youth of the Year"

recipient, in addition to the traditional plaque. That year, the Club's Board of Directors approved an award in the amount of \$300. Since then, the award has grown to \$2,000 under David's guidance. The tradition continues with the next generation, as David Kushlan Wanger, David's nephew, attended the 2015 Youth of the Year Event.

David Kushlan is a true philanthropist. In addition to his support of the Bristol Boys & Girls Club "Youth of the Year" Award for the past 38 years, he most recently began organizing and providing funding for a program at the Club to help youth develop science, technology, engineering, and math skills. This is the "STEM" foundation required for success in many 21st century careers. David's generosity will serve generations of youth in the years to come. Following his Uncle Charles' example, David is a true "man of the community".

PLANNED GIVING/THE CORNERSTONE SOCIETY

The Main Street Community Foundation is built on the dreams and desires of people who are part of the Foundation's service area.

For some people, the desire to create a legacy comes during their life as a current gift. For others, these legacies are shaped by the donor as future bequests or planned gifts. At still other times, a tragic event, such as a sudden death, will be the impetus for memorial gifts that may then be used as the beginning of an endowed fund in a loved one's name. Large or small, all of these gifts will enhance the quality of life in our community for generations to come.

If you have included the Main Street Community Foundation in your estate plan and would like to be included in the Main Street CornerStone Society, please contact the Foundation office at 860.583.6363.

A cornerstone provides a strong support to a structure for its future stability.

Laying this groundwork for the future is critical. Like this permanent support, CornerStone Society members lay the groundwork for the organizations and causes they care about most and the future stability of the Foundation.

The opportunity to give later is simple. You can leave a bequest to the Main Street Community Foundation for the causes you care about in a will or trust, through a retirement plan designation, life insurance beneficiary designation, remainder interest in real estate, or other planned giving vehicles. We are pleased to recognize the following very generous individuals who have made or have communicated their plans to leave a gift to the Foundation in their will, estate plan or some other deferred gift.

Support

Effective Grantmaking

The Main Street Community Foundation welcomes grant applications from any organization serving the Connecticut communities of Bristol, Burlington, Plainville, Plymouth, Southington, and Wolcott. An organization must be recognized as a tax-exempt public charity under section 501(c)(3) of the Internal Revenue Code. Grants are made in the fields of Arts & Culture, Community Development & Outreach, Education, Health, Human Services, Environment, and Animals. Application guidelines are available for each grant program at www.mainstreetfoundation.org. Interested organizations should first contact the Foundation office at 860.583.6363 to discuss any proposal ideas and application process.

The distribution process for grants from Money in Motion, Immediate Response and Donor Advised funds continues throughout the year, as requests or special initiatives are presented to the Foundation. Scholarships are available to individuals pursuing educational and career goals at varying levels of education and training.

"\$5,000 for a Turkey Coop? Really?"

In 2014, Environmental Learning Centers of CT, Inc. (ELCCT) received a grant award from the Foundation to build a new turkey coop.

The design will allow for optimal housing conditions for the Center's flock of turkeys at ELCCT's Indian Rock Nature Preserve.

ELCCT is a private, nonprofit education and land preservation organization serving the residents of Connecticut. Each year, more than 44,000 children and adults participate in ELCCT programs. Its educators provide quality environmental programs and activities to over 200 schools throughout the State. Additionally, ELCCT has preserved over 640 acres of land in central Connecticut.

According to Erin O'Connell, Coordinator of Volunteer Services and Animal Care, "We have urban areas within a twenty mile radius of ELCCT with limited access to farms. One program we offer is called Turkey Time. This program is often the first opportunity many children have to observe and interact with real, live turkeys up close."

ELCCT's three turkeys, two toms and one hen, help students understand Connecticut's heritage of having native wild turkeys, their niche in the natural environment, and their relationship with people throughout history. The "Broad Breasted" turkeys were bred from a native breed to

produce meat. Turkey Time stimulates curiosity, therefore students become interested and excited about learning where their food comes from.

The turkeys will need to be replaced within the next year or two, as they are nearing the end of their life expectancies. One member of the flock died of natural causes last year. "The new turkeys will look similar to wild turkeys, rather than domestic meat producers," explained O'Connell, "We are exploring the possibility of obtaining chicks of the Narraganset or Standard Bronze breeds."

Ms. O'Connell explained that summer camp at Indian Rock offers age-appropriate programs to extend learning about animal science and farming. These programs provide opportunities for children to learn to care for animals under adult supervision: feeding, watering, grooming, cleaning stalls, conducting health and wellness checks, and documenting animal care.

Adolescents have access to in-depth learning opportunities that teach them about specialized farming techniques, genetics, and how to preserve heritage breeds. ELCCT's partnerships with area high schools, including Southington High School and

Students interact with one of ELCCT's three turkeys.

Wamogo Regional High School's agriculture programs, enable students to earn academic credit through their experiences at Indian Rock Nature Preserve.

The new turkey coop is essential to sustaining and expanding current programming. The coop will be built inside a paddock, and will be designed to provide optimal housing conditions for six turkeys. The toms will have separate areas in the coop as well as in the paddock, encouraging them to forage in the field naturally and live peacefully with one another. The larger design will include an indoor viewing and seating area, a display area for the educator's props,

electricity, large windows for natural lighting, and improved ventilation. It will also be much easier to access and clean.

The grant award was made from the following funds at the Main Street Community Foundation: Bristol Brass General Grant Fund, Merriman Family Fund, Turkus Family Fund, and the Ciccarelli-Vitale Community Advancement Fund. ELCCT plans to begin construction of the new turkey coop in the summer of 2015.

> "Find a need and fill it."

Partners

Community Leadership

The Foundation's community leadership efforts, also known as "Money in Motion", address a broad range of community goals. We identify opportunities within the community to support meaningful dialogue on issues affecting the towns we serve. We convene community members, assess changing needs, and propose action on critical concerns. In this way, we are able to develop collaborative solutions to meet emerging needs and provide support to what matters most to the people who live and work in the cities and towns of this region.

Adult Education Diploma and Certificate Program (AEDAC) Trains Skilled **Manufacturing Job Candidates**

Motivated by a desire to provide a better life for herself and for her young daughter, Kayla took a bus to the Bristol Adult Education Center. She was determined to seek a new path and change her life.

In August 2014, the Bristol Adult Education Center (BAEC) and Rowley Spring and Stamping (RSS) formed a partnership to launch the Adult Education Diploma and Certificate program (AEDAC). The Main Street Community Foundation joined with other community supporters to fund the \$85,000 cost of the program. MSCF awarded a total of \$18,000 to AEDAC through its Money in Motion Fund and the Tim and Mary Walsh Charitable Fund, a donor advised fund at MSCF.

The program targets adult learners, like Kayla, who do not have the financial capability to go back to school. AEDAC provides participants with the opportunity to get their general education diploma (GED) and trains them to be qualified for entry level positions in the manufacturing industry. BAEC and RSS are located in the same building, which is an ideal situation for both the students and program staff.

AEDAC creates positive results that meet the needs of adult learners, as well as the needs of the local business community. Work records show that the average age of members of the manufacturing workforce is 55. In a short period of time, irreplaceable industrial knowledge will be lost to retirement. There are over 100 manufacturing companies located in Bristol and surrounding towns. Those companies, in order to continue to prosper, need a skilled labor force to supplement their aging base.

According to the Connecticut Department of Labor, these positions average over \$1,000 in earnings per week. Connecticut manufacturers contribute more than \$25 billion annually to the gross state product. Therefore, graduates of the AEDAC program will positively impact Connecticut's economy.

The program is made up of three components: GED preparation through BAEC, a targeted manufacturing competencies class (offered collaboratively by BAEC and RSS), and hands-on training at Rowley Spring and Stamping. Students are required to:

- 1. Work toward a high school degree in one of the programs offered by Bristol Adult Education or be an English as a Second Language (ESL) student.
- 2. Complete a Skills in Springmaking course that includes 54 hours of hands-on instruction by Rowley trainers and 60 hours of classroom instruction by BAEC teachers.

Five of the seven graduates of the first cohort of the Adult Education Diploma and Certificate (AEDAC) Program.

3. Pass a National Workforce Readiness Credential assessment for work readiness skills: situational judgment, active listening, reading with understanding, and math to solve problems.

Students meet two days a week for five hours a day while also attending their regularly scheduled diploma courses (approximately 19 hours a week). Out of a pool of 21 applicants, 10 were chosen for the program in October 2014. A total of 7 Adult Education students graduated from the AEDAC program as the first cohort.

The pilot program has provided a foundation for the newly formed Bristol Technical Advisory Board. This Board is comprised of business, education, and community leaders to raise awareness regarding the technical based career pathways available in the Greater Bristol region. This Board will develop sustainable training, education, and job placement programs to meet local business needs, prepare students for STEM related careers, and advance the social and economic development of the region.

The Main Street Community Foundation, the Bristol Board of Education, the Central Connecticut Chambers of Commerce, and the New England Spring and Metalstamping Association (NESMA) are the key partners that have collaborated to promote and establish the AEDAC program, as well as to establish the Bristol Technical Advisory Board.

COMMUNITY LEADERSHIP

On October 2, 2014 at Bristol Central High School, local organizations, including MSCF, hosted a manufacturing careers forum for high school students from throughout the region as well as the general public. The forum consisted of a presentation of American Made Movie, a film documenting the rebirth of American manufacturing and its effect on the US economy. Following the film, a panel of local business leaders representing different manufacturing and industrial sectors discussed the growth of 21st century manufacturing in our region; debunked the myths surrounding the industry; and provided an overview of current future employment opportunities.

Money in Motion

Pictured below is a sampling of the curriculum for the Adult Education Diploma and Certificate (AEDAC) Program. This program, which graduated seven people during its first cohort, received an Outstanding Regional Workforce Program Award from the Connecticut Economic Resource Center (CERC). In the photo on the left are, from left to right: Robert Santy, President and CEO of CERC; John Dellalana, President of Rowley Spring and Stamping; Larry Covino, Adult Education Supervisor at the Bristol Adult Education Center; and Commissioner Catherine Smith of the Connecticut Department of Economic and Community Development.

The Bristol Board of Education's Wonder of Words Bookmobile will travel to different Bristol neighborhoods during the summer months bringing interactive read-alouds, a lending library and enrichment programs to neighborhoods where children do not have access to the public library. A \$1,000 "Money in Motion" grant purchased 100 new books to support this initiative.

Stewardship of Assets

The role of the Main Street Community Foundation as a steward of permanent assets provides a unique service to the community. Each of the funds listed in this report were established by a donor with a very specific purpose in mind. Safeguarding assets in perpetuity to honor donor intent is a responsibility we uphold every day. Administered prudently and thoughtfully, endowments will continue to provide a stable source of funding to projects, programs, and organizations in the Foundation's service area. All financial policies instituted by the Foundation are cornerstones of that prudent stewardship.

Make A Mark Region 10 Enrichment Fund

A gentle breeze carried the promise of summer and the sounds of a community engaged in conversation, laughter, and music.

Motivated by the common goal of ensuring the growth of a fund to support education, over 1,000 people gathered in a field at the annual Johnnycake Mountain Music Festival. The bounce house swaved and bobbed to its own rhythm. Chess players, intent on protecting their kings, sat in the shade. A dance group from the middle school stretched and practiced, waiting for their turn to perform. As the direction of the breeze shifted, the scent of grilling food announced that dinner was almost ready.

The Make A Mark Region 10 Enrichment Fund at Main Street Community Foundation was established in 2009 to expand educational opportunities that cannot be provided by the school

district's budget. Donations from individuals, families and businesses as well as fundraising events promote a united sense of community among residents from Burlington and Harwinton in support of their shared school district.

The Make a Mark Advisory Committee solicits grant applications from students, staff, and faculty for projects that demonstrate creativity and innovative instructional practices to enhance the learning of students. The permanently endowed fund impacts a student population of 3,000 in Region 10, which covers the towns of Burlington and Harwinton.

In 2014, fundraising efforts included the 4th **Annual Community Chess** Tournament, the Johnnycake Music Fest, and an appeal. Students and families are encouraged to honor their

favorite teachers with a tax-deductible donation to the Make A Mark Region 10 **Enrichment Fund throughout** the year.

Five grants were awarded in 2014, totaling \$4,311. Two prevention programs, Project Purple and the End Distracted Driver Campaign, educated Lewis Mills High School students about the dangers of substance abuse and distracted driving respectively. The transition from elementary school to middle school was eased for students by a mentoring and orientation program implemented at HarBur Middle School known as Project Web. A trestle tree was purchased to expand the Wellness Program gymnastics equipment. Support of the Lewis Mills Book Club was continued, an organization established with the assistance of the first award from the Fund granted to student applicants in 2013. The 2014 award enabled the club to purchase additional books.

Grants awarded from the Make A Mark Region 10 **Enrichment Fund will continue** to provide creative learning opportunities to enhance the educational experience for students and teachers in Region 10.

> Region 10 students using the Trestle Tree Educational Gymnastics Equipment.

COMMUNITY ENDOWMENT FUNDS

Burlington Bell Community Fund

Have you ever wished you could be in two places at the same time?

In the past, Burlington residents have contemplated that exact wish. Two appealing community events scheduled on the same date and time had become a common occurrence. This dilemma also negatively impacted the organizations sponsoring the conflicting events.

The Burlington Bell Community Fund Advisory Council recognized the need for better communication and planning among civic groups. Burlington nonprofit organizations were invited to a meeting to share contact information and create a community calendar that would be accessible online. The calendar has become a valuable planning, communication, and advertising tool for civic groups. It is available at: http://burlingtonevents.info/

At the meeting, the Advisory Council also seized the opportunity to discuss the mission of the Burlington Bell Community Fund, an endowed fund at the Main Street Community Foundation. The Fund was established in 2011 to provide a permanent source of funding for charitable projects and programs that will enhance the quality of life for Burlington residents.

In 2014, the Burlington Bell Community Fund awarded two grants totaling \$2,000. The Burlington Food and Fuel Bank received \$1,000. The **Burlington Parks and Recreation Department also** received \$1,000 to defray the cost of summer camp for children who needed financial assistance in order to participate.

Growth of the Fund is supported by an annual appeal, as well as community events such as a 5K run and a social gathering at KC **Dubliner with entertainment** and a silent auction. To ensure continued fundraising success, the Burlington Community Calendar will be consulted during the planning process for each future event!

Food for the body, mind, and soul... A commitment to nurturing the physical, intellectual, and emotional well being of Plainville citizens was demonstrated by many grant awards in 2014. The Plainville Community Fund,

an endowed fund at the Main Street Community Foundation, awarded a total of \$7,000 in grants to enhance the lives of Plainville residents.

Four young residents of Living in Safe Alternatives' Plainville group home were able to attend a national conference for foster care youth with their peers from all over the United States. Plainville youth participated in an art program at the New Britain Museum of American Art, which culminated in an art show. The "Read, Right, Run" program focused on reading, good deeds, and physical fitness among Plainville's middle school students. Youth in need received financial assistance to participate in Plainville Choral Society's Youth Theater. The teachers at Frank T. Wheeler School learned how to apply their curriculum to outdoor experiences with students in natural habitats surrounding the school, in collaboration with the Environmental Learning Centers of CT, Inc.

The Gift of Giving

It has been said that philanthropy involves the gift of "time, talent, and treasure."

What is known, however, is that the real treasure in giving comes from the experience of philanthropy itself: In this case, the ability to improve the lives of women and girls in our local communities by providing funding for programs that will give them opportunities for independence. Through grant-making over the past 14 years, the Women & Girls' Fund has provided nearly \$300,000 to programs that support females of all ages in the communities of Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott. There is so much gratification that comes from

hearing the success stories from women who have benefitted from a Women & Girls' Fund grant like Latasha Turnquist, who participated in the Women in Transition program at Charter Oak State College, completed her Bachelor's degree, went on to achieve a Master's degree, and is now the Director of the Family Resource Center for the Manchester Board of Education.

In addition to its annual grantmaking, the Women & Girls' Fund has established an Immediate Response Fund that can fulfill small requests for financial assistance of \$200 - \$250. While most of these requests are for basic life needs, such as helping grandparents who are raising their grandchildren meet unexpected medical expenses or seniors citizens who need heating assistance, many are for happy occasions and opportunities for inclusion.

Linda Rich, Director of the Family Resource Centers for the Bristol Board of Education, spoke at the 2015 Women of Wonder event about the mutual "feel-good" experience of helping someone make a dream come true. Linda described a single mother, Susan, who told her how grateful she was for the support of the Woman & Girls' Fund to offset the cost to send her daughter on an overnight sleepover with the Girl Scouts to the Boston Science Museum. Her daughter would have managed without going on that trip, but Susan feels that Jasmine now knows that there are people who care about her in the community, and who want to help her have a better life.

For Susan and Jasmine, for Latasha, there is help available. And for all of the women - those who are making it happen, and those who benefit from the programs – it's a gift they will treasure for a lifetime.

The PARC facility was awarded a grant to purchase ten tables, making it more useable for individual and small group activities.

Since its establishment in 2006, the Plainville Community Fund has provided grants to local non-profit organizations totaling \$33,100. Established by a group of committed community leaders, the Fund continues to grow through generous donations from individuals. businesses and families as well as fundraising events.

Middle School of Plainville students participating in Read, Right, Run.

THE BRADLEY BARNES MEMORIAL TRUST

The Bradley Henry Barnes & Leila Upson Barnes Memorial Trust

In 2014, the Bradley Henry Barnes & Leila Upson Barnes Memorial Trust awarded a total of \$389,880 to enhance community health and wellbeing and to improve access to behavioral health services.

"For this grant cycle, we focused on capital requests in healthcare that support existing programs or programs that address the mental health and substance recovery of Southington residents," reported William J. Tracy Jr., Chair of the Barnes Memorial Trust Advisory Committee and former Chair of the Community Foundation Board. The three grants awarded are:

- \$75,000 to the Alzheimer's Resource Center of CT, Inc. to support Hope Full Lives, a community and home based program designed to decrease caregiver burden and promote the positive mental health and well being of dementia care partners in Southington.
- \$79,000 to Wheeler Clinic, to support the Southington Health Outreach Project with a full-time health outreach coordinator to enhance access to mental health and substance use prevention and treatment services for Southington residents.
- \$130,000 to the Southington YMCA, to support the purchase and installation of an elevator to transport individuals, especially those with physical limitations, to the basement pool location.

The grants awarded were the result of the Trust's request for proposals to selected nonprofits that have programs focused on one of the following areas that was identified in A Study of Community Health and Healthcare Needs for Southington:

- · Accessibility and affordability of healthcare
- Services/programs to address substance use prevention and mental health needs
- Supports to meet the health and healthcare needs of an aging population
- · Better-integrated healthcare
- · More community education about existing services

The study was commissioned in 2013 by the Community Foundation to better understand health and healthcare needs in Southington and to identify areas where support from the Trust might address gaps in services and promote the health and well

Bradley Henry Barnes

Leila Upson Barnes

being of community members. Southington residents identified the five areas of need. The full report is available on the Main Street Community Foundation's website at: www.mainstreetfoundation.org.

During 2014, two other initiatives were supported by the Barnes Memorial Trust. A \$100,000 grant was awarded to Hartford HealthCare to support a study by a leading healthcare strategy firm to assess the options that will create a sustainable plan for the Bradley Memorial campus. A \$5,880 grant was awarded to promote "Healthy Minds" at the 2015 Health Family FunFest annually hosted by The Hospital of Central Connecticut and the Southington-Cheshire Community YMCA. This annual event is held in Southington.

The Barnes Memorial Trust Advisory Committee and the Foundation's Board of Directors continue to honor and ensure that Mr. Barnes' wishes for this gift to the residents of the

HEALTHY MIND

Town of Southington will be permanently safeguarded. *《*

The "Healthy Minds" section at the 2015 Healthy Family FunFest in Southington featured mental health screenings, a survey about mental health services and needs, and nationally recognized author and humorist, Dave Caperton.

FRIENDS OF THE FOUNDATION

We gratefully acknowledge the Friends of Main Street listed on this page that generously supported our 2014 Annual Appeal.

This annual campaign, overseen by past board member and founder Tom Barnes, provides necessary administrative financial support to advance the charitable activities of the Foundation to better serve our communities.

In appreciation, a donor and friends reception is hosted annually by a Foundation supporter. In 2014, the reception was held at the picturesque Green Acres Farm in Bristol. Close to 140 Friends attended the Reception, which featured hors d'oeuvres prepared with locally grown ingredients. The reception, hosted by Tom and Melanie Barnes and Whit and Jarre Betts, gave the Foundation the opportunity to thank its many donors and volunteers, especially all those who support the annual Friends Appeal and believe in the importance of local philanthropy.

Special appreciation goes out to Brenda Antuna and the staff of Martino's Italian Market of Bristol for preparing the delectable food; Lewis Educational Agricultural Farm in Southington, Tonn's Orchard in Burlington, Litchfield Hills Blueberry Farm in Plymouth, Grouten Farms in Farmington, Urban Oaks Organic Farm in New Britain, Green Acres Farm in Bristol and Brittany's Garden for providing the fresh produce; Dawn Nielsen for designing the invitation; and Garrett Printing & Graphics for their donation of printing. Sincere gratitude goes out to Tom, Melanie, Whit and Jarre for their generosity and hospitality that made this year's Friends Reception a memorable experience.

Many thanks to all who support our annual friends appeal and to all donors who value the work of the Foundation. You can be proud of the comprehensive center for philanthropy you have created and helped to sustain for the benefit of your local communities both now and forever.

HOW YOUR COMMUNITY'S ENDOWMENT IS INVESTED

ASSET ALLOCATION AS OF DECEMBER 31, 2014

- International Equities 17%
- Domestic Equities 49%
- **Cash 4%**
- Fixed Income 30%

Community Foundation resources are managed differently than personal assets and retirement accounts. They are also managed differently than the short-term cash a nonprofit or business invests to cover payroll, rent, program delivery, or inventory. Set and monitored by our Investment Committee, our asset allocation plan guides us to preserve and grow our endowments in a manner that reduces exposure to market volatility through diversification within risk managed asset classes.
