Creating Opportunities for Good

This Annual Report is Dedicated to the Memory of Bryan P. Bowerman (1942-2018)
HIGHLIGHTS OF 2018

$40.9 million in total assets
$1.4 million in contributions received
$1.7 million awarded in grants and scholarships to our community
237 funds established since 1995
200+ volunteers supporting the Main Street Community Foundation

Recognized with an All Star Award from the United Way of Southington for MSCF’s efforts in improving the lives of Southington residents and honored by the Bristol Veteran’s Council for dedication to assisting the veterans’ community.

We dedicate this Annual Report to the memory of Bryan P. Bowerman (1942-2018) in grateful recognition of his vision and leadership while serving on the Board of Directors for the Main Street Community Foundation.

A Bristol native and lifelong resident, who served on the MSCF Board of Directors for 10 years, Bryan Bowerman passed away on November 11, 2018.

Bryan worked most of his life in banking, retiring in 2008 as the President of Farmington Savings Bank. Yet his real passion was helping people and his community. He served on the governing boards of many institutions and organizations, including Tunxis Community College, Wheeler Clinic, Bristol Hospital, Mutual Investment Fund of Connecticut and Main Street Community Foundation.

Here at the Community Foundation, he led the Board of Directors as Chairman from 2007 – 2009 and had previously served as Vice Chairman and Secretary. He sat on every standing committee at some point during his ten-year involvement with the Foundation. And his generosity knew no bounds, including supplying funds for a much-needed laptop for the new CEO in 2008 and a new copier for the office, providing financial support for various receptions, and creating the Bowerman Scholarship Fund for future business students graduating from Bristol Eastern High School, the same school that Bryan attended.

Bryan may be gone but his legacy will always live on at the Main Street Community Foundation and in the communities that Bryan cared so much about.
Creating Opportunities For Good is at the heart of the Main Street Community Foundation. Our mission is to help individuals, families and businesses fulfill their charitable goals and create lasting impact so your communities can thrive. It is our responsibility to match the resources entrusted to us to meet the changing needs of the Connecticut communities of Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott.

We are the most comprehensive philanthropic organization serving the residents and neighbors of your communities. Stewarding nearly $41 million in assets at 12/31/18 composed of over 237 named funds, the Foundation has awarded $17.3 million in grants and scholarships since its establishment in 1995.

Our continuous adherence to sound financial practices led to an unqualified audit opinion of our 2018 financials from the accounting firm blumshapiro. We are confirmed in compliance with the National Standards for U.S. Community Foundations, a distinction we have held for over thirteen years.

We continue to be committed to a strategic plan approved by our Board of Directors that sets forth three important priorities: 1) Building Recognition/Visibility; 2) Engaging the Next Generation; and 3) Growing the Endowment to Fuel Investments in Your Local Community. Dependent on volunteer leadership to fulfill our mission, those who serve on our Board of Directors and committees expand our community philanthropic efforts by sharing their individual and collective knowledge and expertise. In early 2019, board leadership changed as chairperson John Scarritt passed the gavel to Margi Fletcher. We bid farewell to highly respected board members Todd Burton, John Letizia and Byron Treado. To each and all, we are very grateful for their generous donation of time, talents and community insight.

The end of 2018 brought change to our internal operations with the promotions of Kate Kerchaert to Director of Grants & Programs and Samantha Rajotte to Scholarship & Program Officer. We celebrated the retirement of Jarre Betts from her position as Vice President of Grants and Programs after an 18-year legacy of community impact through her tireless work at the Foundation and throughout the region. Please read more about her family’s lasting legacy on page 22 of this report.

We are forever grateful to the many caring people who have created a community foundation that is significant. This annual report is our opportunity to share with you the stories of our donors and their investments in your community. It is also an opportunity to recognize the collective philanthropy of all and to invite you to join with us, so together we can keep on Creating Opportunities For Good that will have a lasting impact – forever.
Since our founding in 1995, endowed gifts and bequests have been the cornerstone of charitable contributions to the Main Street Community Foundation. Each of the following funds established in 2018 reflect a donor’s interest or philanthropic objective to leave a legacy and make a difference in one or more of the communities we serve — Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott.
Funds Established in 2018

**HANDS-ON FUND**
This field of interest fund will provide opportunities for school-age children living in or attending school in Southington to experience non-sport, non-competitive programs and activities. Grants from this fund will support programs and activities that could include the fine arts, visual arts, performing arts, industrial arts, domestic arts and sciences, arts and crafts, non-commercial agricultural science or non-commercial animal husbandry. Grants will also support programs and activities that promote personal wellness, personal enrichment and/or personal skills. This fund has been established by donors who wish to remain anonymous.

**KALT MOREAU FAMILY SCHOLARSHIP FUND FOR EDUCATION**
Susan Kalt Moreau, Ph.D., former Superintendent for the Bristol Public Schools, created the Kalt Moreau Family Scholarship Fund together with her family to pay it forward in recognition of what others did for her. This scholarship fund will help to further the post-secondary educational goals for female graduating seniors from Bristol Central High School or Bristol Eastern High School pursuing a career in education. The scholarship will be awarded annually on a rotating schedule between the two high schools.

**MASKERY FAMILY SCHOLARSHIP FUND**
Paul Maskery established this fund to honor his family and give back to the students of Farmington and Plainville. Paul, who grew up in Plainville, was a long time teacher, coach and Athletic Director at Farmington High School. Scholarships from this fund will advance the post-secondary education of graduating high school seniors from either Farmington High School or Plainville High School.

**EARLY LEARNING – A PET PROJECT FUND**
Early Learning - A PET Project Fund, a designated fund, was established by Mary-Alice Petrucelli-Timek to honor the memory of her brother, John R. Petrucelli. A Meriden native and New Jersey resident, John possessed a unique sense of humor, able to make everyone around him smile and engage in discussion. His love of learning through exploration and play was evident as a young boy as he would take apart then put together any mechanical or electronic device. As a young man and before he entered college, he started his first company, PET Projects. As an adult, he was an amazing sound engineer and was well known for his work in the industry. He was an inventor with many of his designs still in use. In addition to his design work, he always took the time to mentor other engineers.

This fund will continue John’s legacy for always thinking of others before himself, and instilling the love of learning in young minds through grants to benefit programs and general operations at Bristol Preschool Child Care Center, Inc. of Bristol, CT and Imagine Nation, A Museum Early Learning Center of Bristol, CT.

Remember that the happiest people are not those getting more, but those giving more.

H. Jackson Brown Jr.
Funds Established in 2018

**DAVE MONGILLO MEMORIAL/GOLF SCHOLARSHIP FUND**
Dave Mongillo was a fixture in the Southington community and has been described as fearless, strong, generous, humble, humorous, warm and unrelentingly dedicated. This scholarship fund was established by friends and family to honor Dave’s memory after he passed away in 2017. Dave was often referred to as the King of Concrete, dedicating most of his life to his own foundation business. He was highly regarded in the industry as a master craftsman known for his work ethic, quality and attention to detail. Dave was an avid golfer who enjoyed playing rounds of golf with his friends as a proud member of the Southington Weed Wackers Golf League. This scholarship is available to a graduating high school senior from Southington High School who is a current member of the school’s golf team; preference will be given to those who will continue to play golf at the college level.

**NUTMEG SYMPHONY ORCHESTRA EDUCATIONAL ACTIVITIES FUND**
The Nutmeg Symphony Orchestra, through the power of music, energizes, inspires and educates communities throughout Connecticut. Serving Bristol and the surrounding towns, the Nutmeg Symphony Orchestra is a professional orchestra providing classical music concerts and musical services, while collaborating with local schools to strengthen music programs through performance.

This designated fund will provide annual support to the Orchestra for the purpose of planning, organizing and performing educational concerts designed for child audiences, primarily third grade level, chamber music programs in schools (all grades) and other collaborative educational and musical activities including but not limited to promoting participation in school and community music programs and other endeavors.

**SOUTHTINGTON ARTS COUNCIL LEGACY FUND**
The Southington Arts Council retired its operations in 2018 and established this field of interest fund as a legacy to the community of Southington. During its 36 years of operation, the Southington Arts Council worked diligently to build community awareness for and participation in the cultural opportunities in Southington. The Southington Arts Council was founded in 1982 by Carole S. Milano in order to make the cultural arts accessible to the residents of Southington. Grants from this fund will support programs and organizations for the promotion and appreciation of artistic and cultural opportunities that will benefit the community of Southington, including visual, performing, creative writing and holistic arts opportunities.

**PAT & BOB WOLLENBERG FAMILY FUND FOR THE COMMUNITY**
This unrestricted community fund was established by longtime Bristol residents Pat and Bob Wollenberg to support the emerging and changing needs of the communities served by the Foundation. They have always enjoyed the cultural aspect of living in Bristol and their children were involved in performance arts throughout their school years and beyond. To honor their interest in the arts, preference will be given to organizations in support of the fields of music, theater and the performing or visual arts.

**PAT & BOB WOLLENBERG FUND FOR BRISTOL ADULT RESOURCE CENTER**
Bristol residents Pat and Bob Wollenberg established this designated fund in support of the Bristol Adult Resource Center, Inc. (BARC) of Bristol, CT. BARC is dedicated to helping Bristol’s adults with intellectual and developmental disabilities maximize their independence and inclusion in their community. Annual grants will aid the organization’s capital projects and capital repairs.

**PAT & BOB WOLLENBERG FUND FOR OPPORTUNITY HOUSE**
Established by Bristol residents Pat and Bob Wollenberg, this designated fund will provide support to Opportunity House, Inc. of Hamden, CT. Opportunity House provides residential and day service programs for adults within the autism spectrum. An annual grant will support the organization’s employee appreciation program.

**PAT & BOB WOLLENBERG SCHOLARSHIP FUND FOR SPECIAL EDUCATION**
Pat and Bob Wollenberg’s philanthropic interests are rooted in personal experience. Understanding the impact of autism through a family member and Pat’s involvement in education, they decided to establish a scholarship fund to assist students pursuing undergraduate and graduate degree programs in Special Education. Scholarships will be awarded annually to graduates of Bristol Central High School, Bristol Eastern High School or St. Paul Catholic High School.
There are many ways to donate to Main Street Community Foundation to support worthwhile charitable organizations and causes in our service area of Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott, Connecticut. The Foundation offers a range of personalized services to help donors fulfill their charitable goals. As partners in philanthropy, we work with each donor to establish a fund or gift plan without complex administrative burdens.

**Give to an existing fund**
You can support the Foundation’s ongoing work with an unrestricted gift of any amount. Contributions can also be made to any of the Foundation’s permanent endowment funds which benefit a diverse range of charitable purposes.

**Establishing a new fund**
Our donors are individuals, families, companies and charitable organizations. You can establish a fund using a variety of gift giving vehicles, including: cash, stock, retirement assets, other tangible personal property, bequests and other planned gifts. Most new endowment funds can be established with a minimum donation of $10,000; to establish a new scholarship fund, the minimum is $25,000. This gift can be given as a lump sum or over a period of time during your life. You may also leave charitable assets upon your passing in the form of a bequest in will or trust, retirement plan designations or beneficiary designation in a life insurance policy. A fund can be established as a permanent endowment or as a temporary fund in which income and principal will be distributed.

**Donor Services**
The Main Street Community Foundation provides permanent, professional administration of charitable funds without the expense or effort of establishing a private foundation. All assets are professionally managed with oversight by the Investment Committee and Board of Directors. There is no cost to establish a fund. There is a modest management fee which supports the administrative operations of the Foundation.

**Your benefits include:**
- Choice of fund type and fund name
- Grant making support and counsel
- Administration of gifts and grants
- Maximum tax advantages allowed by law
- Prudent investment management
- Permanent recognition or anonymity at donor’s discretion

**Additional Services:**
The Foundation can assist private foundations or other grant making institutions in a variety of ways that include:
- Administration of grant making programs
- Project review for funding consideration
- Advisement on community needs and priorities
- Assistance to private foundations to meet pay-out requirements

**Our flexible fund options include:**

**Unrestricted Community Funds**
Flexible and responsive to emerging and changing community needs. You place no restrictions on your gifts and leave decisions about charitable use of the funds to the Foundation.

**Field of Interest Funds**
You have the opportunity to support a broad category of need such as the arts, healthcare, education, environment or a specific geographic area. Grant recipients are selected by the Foundation’s Distribution Committee.

**Donor Advised Funds**
You participate actively in grantmaking by suggesting charitable organizations to receive grants. Foundation staff assists you by researching grant requests and connecting you with potential grant recipients.

**Designated Funds**
You designate support for a specific charitable organization. If the named charity ceases to exist, another organization with a similar purpose is selected by the Foundation’s Board of Directors to ensure your purpose for giving will be honored in perpetuity.

**Agency Endowment Funds**
Established by a nonprofit organization as a means of protecting their charitable dollars for the future and to ensure an annual source of support for their programs and operations.

**Scholarship Funds**
You can establish a named fund for any level of education. You may designate a particular school, field of study and select eligibility criteria.

**Sustainability Funds**
You make permanent gifts that strengthen the Foundation’s role as a funder, a community leader, convener and advocate.
Leaving a Legacy Through Bequests and Planned Giving

The Main Street Community Foundation is built on the dreams and desires of people who are part of the Foundation’s service area. For some people, the desire to create a legacy comes during their life as a current gift. For others, these legacies are shaped by the donor as future bequests or planned gifts.

And still at other times, a celebratory or tragic event, such as a retirement or sudden death, will be the impetus for honor or memorial gifts that may be used as the beginning of an endowed fund in a loved one’s name. Large or small, all of these gifts will enhance the quality of life in your community for generations to come.

If you have included the Main Street Community Foundation in your estate plan and would like to be included in the Main Street CornerStone Society, please contact the Foundation office at 860.583.6363.

A cornerstone provides a strong support to a structure for its future stability. Laying this groundwork for the future is critical. Like this permanent support, CornerStone Society members lay the groundwork for the organizations and causes they care about most, and the future stability of the Foundation.

The opportunity to give later is simple. You can leave a bequest to the Main Street Community Foundation for the causes you care about in a will or trust, through a retirement plan designation, life insurance beneficiary designation, remainder interest in real estate, or other planned giving vehicles.

CornerStone Society Members

We are pleased to recognize the following very generous individuals who have made or have communicated their plans to leave a gift to the Foundation in their will, estate plan or some other deferred gift.

When Betty, the daughter of a dairy owner, and Donald (Don), a World War II veteran, married in 1950, it would have been difficult for them to imagine the ripple effect their union would have up through 2018 and beyond. Yet from the beginning, they laid the groundwork for their legacy to have a permanent impact in our community.

In 1959, Don started his own business — Radcliff Wire, Inc. — with the help of Betty. This business, which will celebrate its 60th anniversary next year, was just one of the successes that Don and Betty had in their life. The other was their family — they had five children, seven grandchildren and eight great-grandchildren. Jeanne Radcliff, Don and Betty’s eldest daughter who would one day succeed her father as President of Radcliff Wire, had this to say about her parents instilling a sense of generosity in their family: “[My mother] was a stay-at-home mom with five children but she volunteered to help out for everything, from Scouts, to sports, to school and church activities. I think we all learned that if you want to make something happen, then you need to invest some time and energy, and if you have the resources, financial support.”

The Radcliffs believed that hard work and a good education could help dreams come true. As Jeanne said, “[My father] never had the opportunity to go to college and even after running a successful business, he still regretted it. So they ensured that all of their children would have that opportunity and then went beyond to provide for their grandchildren and great-grandchildren.”

Susan Sadecki, President & CEO of Main Street Community Foundation, added, “They then went even further and through the Main Street Community Foundation, left their legacy for people that they may never get to meet.” How did the Radcliffs do that? By establishing two scholarship funds with an IRA charitable rollover gift. The Radcliff Family Education Fund and the Radcliff Plainville High School Fund provide renewable scholarships to support hard-working students who have big dreams but need financial assistance to realize them. To date, these scholarships have awarded over $250,000 to deserving students in the communities of Bristol and Plainville. The two scholarship funds were increased further upon Betty’s passing as the Foundation was named a direct beneficiary on several IRAs.

Don passed away in 2013 and Betty this past June. But their legacy lives on — in their children, their grandchildren, and their great-grandchildren. In the 25 scholarship recipients thus far who have had the opportunity to go to college because of them. In the Bristol and Plainville communities through the people they’ve employed at Radcliff Wire and the help they’ve given those families. In the Main Street Community Foundation, as members of the CornerStone Society who have laid the groundwork for the future stability of this organization and our surrounding communities. As Susan Sadecki said, “When I think of the word legacy, I can’t help but think of the Radcliff Family.”
The Main Street Community Foundation welcomes grant applications from nonprofit organizations serving the Connecticut communities of Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott. Grants are made in the fields of Arts & Culture, Community Development & Outreach, Education, Health, Human Services, Environment, Animal Welfare and Youth Development. Application guidelines are available for each grant program at www.mainstreetfoundation.org.

The distribution process for grants from Money in Motion, Immediate Response and Donor Advised funds continues throughout the year as requests or special initiatives are presented to the Foundation. Scholarships are available to individuals pursuing educational and career opportunities in a variety of areas and at varying levels of education and training.

ARTS IN THE PARK

During the Bristol Parks & Recreation’s 2018 Summer Concert Series at Rockwell Park, Arts in the Park provided hands-on art programs to children who attended the Concert Series. This program was supported by a grant from the Sid Bernard & Ed Miller Children’s Fund for the Visual Arts, which was established in 2013 to benefit programs or projects that teach children innovative or traditional art skills.

Effective Grantmaking
In 2018, Main Street Community Foundation has distributed $1,711,651 in grants and scholarships to support many worthy causes and organizations in your communities.

Selena Norton shares a touching moment with Betty Radcliff as she receives a scholarship from the Radcliff Family Education Fund at the 2018 Scholarship Reception. Betty established the fund with her late husband Donald in 2002 to share their belief in the value of education by assisting high school graduates from the towns of Bristol and/or Plainville with scholarships to further their education.

2018 scholarship recipients were honored at the Foundation’s Scholarship Reception held on June 11, 2018 at the DoubleTree by Hilton Hotel Bristol.
The Foundation’s community leadership efforts, also known as “Money in Motion”, address a broad range of community goals. We identify opportunities within the community to support meaningful dialogue on issues affecting the towns we serve. We convene community members, assess changing needs, and propose action on critical concerns. In this way, we are able to develop collaborative solutions to meet emerging needs and provide support to what matters most to the people who live and work in the cities and towns of this region.
SUPPORT FOR BRISTOL HOSPITAL’S EXPANDED EMERGENCY CENTER

In 2018, Main Street Community Foundation’s Board of Directors voted in favor of a multi-year grant totaling $50,000 in support of Bristol Hospital’s renovation and expansion of its Emergency Center.

Founded in 1921, Bristol Hospital is the leading health provider for those who live and work in the Greater Bristol area, serving approximately 40,000 patients a year.

Susan Sadecki, President & CEO, said, “Main Street Community Foundation is proud to support Bristol Hospital’s emergency Center renovation and expansion campaign. This project will create a more modern facility and provide the latest in advanced emergency services to residents and visitors to our community.”

Sadecki continued, “We want the Emergency Center to be the best it can be, and by expanding its space and capabilities, it will further enhance the delivery of the exceptional care it delivers each and every day. The Bristol Hospital Emergency Center is everyone’s Emergency Center. We chose to support this project because it is crucial to our community and will be a valuable resource for all, for generations to come.”

Mary Lynn Gagnon, Executive Director of the Bristol Hospital Development Foundation, said, “Bristol Hospital is proud to partner with the Main Street Community Foundation, who is committed to the health and wellness of our community. Their generous gift to the Emergency Center Capital Campaign will help ensure that we are poised to meet the future demands of our patients. Bristol Hospital’s Emergency Center plays a vital role in our community, and this new and enhanced center will support the exceptional, world class service that our community has grown to expect and deserves.”

HELPING LOCAL NONPROFITS CREATE OPPORTUNITIES FOR GOOD

Main Street Community Foundation recognizes the vital role nonprofit organizations play in creating vibrant and healthy communities. They are a driving economic force and provide essential programs that improve the conditions and opportunities for local residents. We are here to help them create opportunities for good.

For the past decade, the Foundation has partnered with local organizations, businesses and individuals to offer workshops and webinars as part of its Nonprofit Education Series, which is available to local organizations. Sessions are on topics of interest that will enhance the development and knowledge of nonprofit professionals, board members and volunteers. In 2018, the Foundation partnered with the Association of Fundraising Professionals Connecticut Chapter (AFP) to present three webinars. The topics included fundraising, social media and board development and representatives from nearly three dozen organizations attended.

Main Street Community Foundation also provides nonprofits access to numerous online resources that may help them in their growth and management as they work to strengthen our communities. These can be accessed at mainstreetfoundation.org/nonprofit-resources.

“The staff of the Foundation is also always available as a resource as well,” stated Susan Sadecki, President & CEO of the Foundation. “We are very proud that nonprofit leaders and volunteers feel comfortable and confident when approaching us for advice or guidance.”

The Foundation regularly publicizes relevant funding and educational opportunities and provides direction on submitting grant applications. Organizations that are current grantees can find numerous resources and guidelines at mainstreetfoundation.org/grantee-resources. This page includes information on grant reporting, links to the online grants center and information on how to communicate the grant award, including a sample news release and media distribution list.

Nonprofits are the cornerstones of our communities and Main Street Community Foundation has made a commitment to strengthening and supporting them in ways that include more than just giving financial grants.

“We take pride in knowing the ins and outs of the other organizations serving the local communities,” stated Susan Sadecki. “We are in this together.”

COMMUNITY FOUNDATION STAFF MAKE IT A PRIORITY TO GET INVOLVED WITH YOUR COMMUNITIES

No one knows the needs of those living in the towns we serve more than those working directly with them. Because of that, local level committees, teams and task forces are critical to improving the conditions and opportunities for residents.

Main Street Community Foundation recognizes that and participates on these committees to develop collaborative, proactive solutions and meet emerging needs in the six communities we serve.

The local committees Community Foundation staff participate on include:

**Bristol Adult Education's Community Advisory Committee** provides program support and advice on the services necessary to advance opportunities for adults 17 and over through Adult High School Completion. English as a Second Language, Citizenship and Continuing Education Programs for members of the community.

**Bristol Early Childhood Alliance (BECA)** involves all interested parties of the Bristol community in building awareness of issues affecting children ages birth through eight. Among various subcommittees, the BECA Health Subcommittee promotes awareness and education of healthier eating and lifestyle for a healthier community.

**B.E.S.T.-4 Bristol (Bristol Eliminating Substance Abuse Together)** engages and collaborates with all sectors of the community to deliver substance abuse and prevention services.

**Bristol Cares** provides nonprofit and social service agencies an opportunity to exchange information in keeping the City of Bristol working at its maximum capacity and bringing the best possible service to residents.

**Bristol Hunger Action Team** is a group of individuals and organizations working in collaboration to solve hunger in Bristol.

**Greater Bristol Technical Advisory Council** promotes awareness among students, educators, guidance counselors and parents regarding career opportunities in manufacturing and trades; engages manufacturing and trade related businesses; and facilitates communication between educators and businesses in an effort to enhance and further develop school curriculums and educational opportunities.

**Bristol Technical Education Center - Institutional Advisory Committee** members advise the school administration and integrate consultation to ensure the BTEC continually strives to meet the occupational and educational needs of the community including program success, enrollment and relevance.

**Central Connecticut Chambers of Commerce Board of Directors** governs the Central Connecticut Chambers of Commerce, one of the largest Chambers in the state that addresses the business community's pressing needs and issues.

Central Connecticut Chambers of Commerce Legislative Action Committee provides Chamber members with access to legislators and policymakers in order to improve business conditions in the area and the state of Connecticut.

**Connecticut Collective for Women and Girls** is a collaborative of organizations committed to the advancement of women and girls, including those who are cisgender, transgender, and non-binary, in the state of Connecticut.

**Bristol Task Group to End Homelessness** works collaboratively to build a homelessness response and prevention system that meets the dynamic conditions of human need. They plan, advocate and take actions to prevent and to resolve the housing problems and needs of people in Bristol experiencing homelessness or at risk of becoming homeless.

**Plainville Human Services Providers** brings together nonprofit and social service agencies to exchange information and develop solutions that improve the quality of life for Plainville residents.

**Regional School District #10 Coordinated School Health Team** is a group of individuals representative of segments of the community that provides advice on coordinated school health programming and its impact on student health and learning.

**PYVOT (Professional Young Visionaries of Tomorrow)** is a young professionals and entrepreneurs group of Central Connecticut, operating in partnership with the Central Connecticut Chambers of Commerce and United Way of West Central Connecticut.

**Southington Behavioral Health Stakeholders Group** assists Southington residents and families in recognizing the signs and symptoms of mental health and substance use challenges, navigating available resources and reducing barriers.

**Tunxis Civic Engagement Institute Community Advisory Committee** members advise this newly created Institute on community needs and strategies for effectively deploying students in hands-on experiences to further their civic engagement learning.

Community Foundation staff have also served on several other committees in the past and will continue to join ones that are dedicated to improving the lives of residents in the local communities.

In addition, to keep up with current trends in the philanthropic field, specifically in the state of Connecticut, and to advance the professional development of staff, the Community Foundation participates on several committees within the Connecticut Council for Philanthropy. Those committees include: CEO Network; Communications Network; Foundation Administrator Network; Program Officers Network and Women and Girls Funders Network.

DATAHAVEN COMMUNITY WELLBEING SURVEY

Are you satisfied with the city where you live? How responsive is the local government to the needs of its residents? Are residents able to obtain suitable employment? How would you rate your overall health? These are some of the more than 100 questions that were asked in live, in-depth interviews to over 16,000 randomly-selected adults in every town in Connecticut as part of the 2018 DataHaven Community Wellbeing Survey.

DataHaven, a nonprofit serving Connecticut since 1992, works to improve quality of life by collecting, interpreting and sharing public data for effective decision-making. Its Community Wellbeing Survey is a nationally-recognized program that provides critical, highly-reliable local information not available from any other public data source.

In order to ensure that Bristol, which is the 8th largest city in Connecticut, was fairly represented in the survey respondents, Main Street Community Foundation made a Money in Motion grant of $2,000 and was able to collaborate with the Bristol Development Authority and Bristol Hospital who supported the project at the same level. Thanks to this funding, DataHaven was able to conduct surveys with 208 Bristol residents to drill down into community-specific data for our area.

This survey is conducted every three years and this is the second time that MSCF has supported its collection of data in our community. Since the collection of data in 2015, the number of adults who feel that their neighborhoods are improving and that local government is listening to residents has increased. Bristol adults are also seeing much greater growth in job prospects than three years ago, an increase shown across all income brackets.

Unfortunately, access to food and housing seems inequitable, with younger adults, lower-income adults and adults living with children reporting greater risk of food and housing insecurity.

Main Street Community Foundation joined over 80 state and local government, health care, academic, and community partners throughout Connecticut to fund this year’s survey. To view the full report of this survey, please visit www.ctdatahaven.org/reports/datahaven-community-wellbeing-survey.
The role of the Main Street Community Foundation as a steward of permanent assets provides a unique service to the community. Each of the funds listed in this report was established by a donor with a very specific purpose in mind. Safeguarding assets in perpetuity to honor donor intent is a responsibility we uphold every day. Administered prudently and thoughtfully, endowments will continue to provide a stable source of funding to projects, programs, and organizations in the Foundation’s service area. All financial policies instituted by the Foundation are cornerstones of that prudent stewardship.

For a full description of each named fund, visit www.mainstreetfoundation.org
Funds

DONOR ADVISED FUNDS

These funds allow donors to participate actively in grantmaking by making grant recommendations to the Foundation's Board of Directors.

- Tom & Melanie Barnes Family Fund (2004)

- Technical Education Fund (2005)
- Tim and Mary Walsh Charitable Fund (2011)
- Jane Woodard Charitable Fund (2017)
- Zomick Family Fund (2006)

JARRE BETTS’ LEGACY LIVES ON AFTER RETIREMENT

On December 31, 2018, not only did Main Street Community Foundation celebrate the end of 2018, but they also celebrated the end of an era – Jarre Betts, Vice President of Programs, was retiring after 18 years with the Foundation.

When Jarre began with the Foundation, it was granting $165,000 annually. She helped grow that to $1.8 million by the end of 2018. She saw the staff grow from one full-time and two part-time workers to a full staff of six. She saw the reputation of Main Street Community Foundation go from unknown to becoming one of the most well-respected nonprofit organizations in its six-town service area. She was an integral part of all of this advancement and growth.

As if the legacy she left behind at the Foundation itself weren’t enough, Jarre and her husband, State Representative Whit Betts, established the Betts Family Fund in 2017 to ensure they could leave a lasting legacy in the community as well. In just two years, eight (8) grants, totaling $10,710, from their donor advised fund have supported local organizations.

Since Jarre was still working at the Foundation when she and Whit started this fund, they decided a donor advised fund was the best fund type to meet their local charitable goals. Donor advised funds allow donors to participate actively in grantmaking by making grant recommendations to the Foundation’s Board of Directors. Donor advised fund holders can seek advice from the Foundation because the staff stay current with the emerging needs in the six towns served and can help to identify those organizations where support is most needed. As Whit said, “Due to Jarre’s first-hand knowledge of the Foundation, we had a high level of confidence and trust that they would know where our grants would do the most good in the community.”

Jarre and Whit enjoy helping a program get started, adding to another fund or assisting unusual requests. They also believe in supporting the administrative side of the Foundation. Again as Whit described, “Not many people are inclined to support the admin side. But without exceptional staff, the integrity and reputation of the Foundation can be put at risk, which affects past, present and future donors.”

Jarre encourages others to think of establishing a donor-advised fund: “With this kind of fund, you have up to five years to grow the fund to at least $10,000. So you can use special occasion gifts like birthdays, holidays, retirements to go toward the fund.” And Whit chimed in, “It’s not the amount of money, it’s the thought that matters. Once you speak with the Foundation, you will see how much your gift will be appreciated by others and how much it can do in the community.”

After 44 years of marriage, finishing each other’s thoughts is just one of the ways that Jarre and Whit are on the same page about helping their community. In addition to contributions they are making to the fund now, their fund will also receive a legacy gift from Jarre and Whit’s estate after they are no longer here. As members of the Foundation’s CornerStone Society, they are an example of donors who establish a fund during their lifetime that then becomes a beneficiary of their estate plan.

Jarre and Whit have planned a great deal to ensure they will leave a legacy that can be carried on by their children, Amy and Drew, and their two granddaughters, Elia and Maya. While Jarre is greatly missed on the Foundation staff, she’s still involved in many ways with the Foundation and the Betts Family Fund is just one of the ways that she and Whit are leaving a legacy.
AGENCY ENDOWMENTS

These funds provide nonprofit organizations a full range of endowment management services.

American Clock & Watch Museum, Inc. Fund (1999)
Bristol Adult Resource Center Fund (2016)
Bristol Hospital Development Foundation Fund (1999)
Environmental Learning Centers of CT, Inc. Fund (1999)

**UNRESTRICTED COMMUNITY FUNDS**

*These funds are flexible and responsive to emerging and changing community needs. The Foundation distributes grants from these funds where they are needed most.*

Wally Barnes Fund for Community Leadership Initiatives (2013)
Bristol Brass General Grant Fund (1998)
Bristol Savings Bank Fund (1996)
Angela and Al Caruso Family Charitable Fund (2006)
Formagioni-Lodovico Family Fund (2009)
Jim & Eleanor Frawley Community Fund (2010)
Main Street Community Foundation Memorial Fund (2008)
Money in Motion Fund (2015)
Karen and Kim Murphy Family Charitable Fund (2016)
Tedesco-Gallant Charitable Fund (2005)
Turkus Family Fund (2000)
Pat & Bob Wollenberg Family Fund for the Community (2018)

*Careers for Cambridge* is Bristol Boys and Girls Club Family Center’s job-readiness and career-exposure program that was held at Cambridge Park, the largest public housing site in Bristol. *Careers for Cambridge* offered fun and interactive activities for youth ages 11 to 18 to explore a broad range of career areas, match their interest to potential career opportunities and identify the skills and education needed for their particular career path. The program also included mindfulness activities, mentorship, nutrition facts and field trips. This program was supported with a $4,000 grant from the Douglas and Noreen Schumann Special Interest Fund.

**SUSTAINABILITY FUNDS**

*Sustainability Funds strengthen the Foundation’s role as a funder, community leader, convener and advocate.*

Barnes Group Inc. 150th Anniversary Fund (2007)
Main Street Community Foundation Endowment Fund (2000)
Dave and Edith Scarritt Fund (2004)
Yarde Metals Community Support Fund (2005)
Burlington Community Fund

The Burlington Community Fund is a growing endowment fund, established in 2011, to provide a permanent source of funding for charitable projects and programs that will enhance the quality of life for Burlington residents. The Advisory Council for this fund identifies needs in the community and evaluates grant applications for local support. In 2018, $4,500 was awarded from the Fund to five local organizations. Since its founding seven years ago, the Burlington Community Fund has awarded a total of $24,600. The Fund’s donors and volunteers work together to help all those in need in the Burlington community.

This year, in addition to the grants awarded, the Fund partnered with the Burlington Chamber of Commerce to put together and deliver 162 “Welcome to Burlington” bags to newcomers. These bags were filled with information about the town and local businesses. The Fund also hosted an Opioid Addiction Forum at Lewis S. Mills High School in January. Over 50 people attended the Forum, which included panelists from the Department of Mental Health and Addiction Services, the North Central Regional Mental Health Board, Catalyst Counseling of CT, the Burlington Volunteer Fire Dept and Connecticut State Police.

“This panel did much to help parents realize that they are not alone and that there are many community resources available to help,” said Janet Schwartz, Treasurer of the Burlington Community Fund.

To see a list of all grants awarded from the Fund, see page 13 of this Annual Report.

Men & Boys’ Fund

In 2016, a group of local men came together because they were concerned about the state of men and boys in our society. With their leadership, the Men & Boys’ Fund (MBF) was established and its mission is to: make it possible for men and boys to improve the quality of their lives, increase self-sufficiency, and make a positive difference in their community.

In June, the MBF hosted an event called “Raise a Pint” at Main Street Pint & Plate Restaurant — their first big fundraiser. It was a success with over 50 people attending. Chris Amorosino, the Communications Chair for the Men & Boys’ Fund, reflected on 2018: “This past year, we doubled the amount we were able to award in grants. The Fund awarded $6,000 in 2018 and $1,500 in immediate response grants. The community has been amazingly generous. 2018 was our second year of fundraising and the total fund has reached more than $50,000.”

The Men & Boys’ Fund awarded grants to four organizations, which are listed on page 13. Amorosino said, “We are proud to support all of these programs. One example is the program at Bristol Youth Services called Skills to Pay the Bills. This is for male high school students to improve their decision making skills. The program teaches them how to develop healthy relationships, how to manage money, eat well, etc. It gives the students a better opportunity to learn how to be productive workers and engaged citizens, who contribute to their community.”

When asked about the Fund’s immediate response grants, Amorosino explained, “The grants are a small way to make a big difference. Two of these really stood out. One was a local high school student who had graduated but he had no parental support, so he was struggling. The Men & Boys’ Immediate Response Fund awarded a $200 grant to support the purchase of clothes for interviews, so he could get a job. Another was a man who had been homeless for 10 years. He was ready to move into his own apartment but a rental application fee was a barrier. The Fund was able to award a grant to support that need.”

Plainville Community Fund

The Plainville Community Fund was established in 2006 by a group of community leaders to create a resource for charitable programs and projects that would enhance the quality of life for Plainville residents. For twelve years, grants have been made from this Fund to make the community stronger and to help meet the changing needs of Plainville residents. The Plainville Community Fund is honored to be a beneficiary of the Annual Plainville PumpkinFest. In 2018, $8,000 was raised and donated to the Fund.

Thanks to the money raised from the PumpkinFest and other fundraising initiatives, this past year $10,000 in grants were made to help struggling residents receive holiday food baskets, bring a domestic and teen dating violence prevention program to local schools and make adaptations and custom equipment for wheelchair-bound school aged students. A full list of the grants awarded from this Fund can be found on page 13 of this Annual Report.

Since its establishment, the Plainville Community Fund has distributed nearly $70,000 in grants to better the lives of Plainville residents.

Make A Mark Region 10 Enrichment Fund

The Make A Mark Region 10 Enrichment Fund is dedicated to providing a source of funding for expanded educational opportunities for Region 10 students. Established in 2009, the Fund seeks creative and innovative instructional practices that will enhance the learning of students. Grants have been awarded to teachers, administrators, guidance counselors, other school personnel, or students in support of projects that would not normally be funded by the Region 10 Board of Education budget.

In 2018, 14 grants totaling $6,235 were awarded throughout the Region 10 School District and to see a full list of the grants awarded from this Fund, see page 13. These were made possible with donations from individuals, families, and businesses, as well as fundraising events, from the towns of Burlington and Harwinton. As residents come together to support their shared school district, it truly creates a united sense of community. Since its establishment, the Fund has awarded nearly $40,000 in grants, impacting a student population of 3,000.
Bradley Henry Barnes & Leila Upson Barnes Memorial Trust

The mission of the Bradley Henry Barnes & Leila Upson Barnes Memorial Trust is to support the health and well-being of Southington residents. The Trust was formed in 1973 through the Last Will and Testament of Bradley H. Barnes, a lifelong Southington resident who cared deeply about his community. In January 2004, the Foundation became the court appointed trustee of the Trust and since that time has been carrying out the legacy of Bradley H. Barnes through grants made in the Southington community. Over 20 nonprofit organizations have benefitted from grants made by the Trust since 2004.

In 2018, there were several first-time grantees who received either capital or program support for the following vital projects:

**The Arc of Southington** was awarded $75,000 to make critical renovations to their office space in Southington, allowing them to comply with ADA requirements and increase program space for clients.

**Bread for Life** received $21,300 to expand their weekly meal program and to purchase new appliances and medical equipment, which are essential to serving their primarily homeless population.

**Easterseals of Greater Waterbury** benefitted from $25,000 to provide financial assistance to Southington residents receiving audiological services.

**Prudence Crandall Center** received $37,500 to support their domestic violence intervention and prevention services in the Southington schools and community.

Grants from the Trust have traditionally fallen within one of the following community-identified health areas: Accessibility and affordability of health care; substance abuse prevention and mental health needs; health care for an aging population; better integrated health care delivery; and education about existing services. Grants made in 2018 reflect an expansion of the grantmaking strategy to also support the “social determinants” of health, which are conditions in our social and physical environment that promote overall health, and quality of life (such as availability of healthy food, adequate transportation and stable housing). Studies have shown that these “social determinants” of health can have a profound impact on an individual’s health outcomes. As a result of this focus, $48,098 was awarded to **United Way of Southington** for a senior transportation program, which provides no-cost rides to medical appointments, pharmacies and to visit loved ones in care facilities.

In addition, the following grants were also awarded from the Barnes Memorial Trust in 2018:

**The Early Childhood Collaborative of Southington (ECCS)** was awarded $25,000 to continue providing educational seminars on health and well-being related topics that support Southington’s young children and their caregivers.

**Hartford HealthCare Senior Services** received $75,000 to complete renovations at Southington Care Center to create a warm and calming environment for dementia patients, and $10,000 to support the 2019 Healthy Family FunFest.

**LISA, Inc. (Living in Safe Alternatives)** was the recipient of $45,900 to continue the 1-2-3- Prevention, Intervention & Recovery program for teens in collaboration with Southington Youth Services Bureau and the STEPS Coalition.

**LiveWell Alliance Inc.** received $115,000 to continue the Dementia Friendly Southington Initiative, which strives to make Southington a welcoming and supportive community for people with dementia.

**Southington-Cheshire Community YMCAs** established a Diabetes prevention program with a $29,500 grant.

**Southington Community Cultural Arts (SoCCA)** received $105,900 to continue the All Access program for adults with disabilities.

**Wheeler Clinic** was awarded $80,000 to continue the Southington Health Outreach Project.

Lastly, $3,750 provided community leadership sponsorships in Southington, making total grants awarded for the year $696,948.

Women & Girls’ Fund

The Women & Girls’ Fund was established in 2001 as a community-based endowment of the Main Street Community Foundation. The Fund supports programs and initiatives that benefit females of all ages in Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott. The Fund taps into the power of women and girls to strengthen their communities by:

• Funding programs for women and girls focused on education, career planning, personal finance, parenting, literacy and health and wellbeing.

• Empowering and celebrating women by hosting events such as the annual WOW fundraiser, publishing articles, sponsoring community gatherings and by inviting women to volunteer on the Women & Girls’ Fund Advisory Board and committees.

• Increasing public awareness of the needs that exist for women and girls and the opportunities available to help bridge the gap.

Since its establishment 17 years ago, the Women & Girls’ Fund has provided over $500,000 in funding to nearly 90 organizations and programs. The funds for these grants come from four sources – the proceeds of the annual WOW event, the endowment and two other named funds whose distributions support initiatives identified by the Women & Girls’ Fund.

In addition, three additional named funds at Main Street Community Foundation supported proposals submitted to the Women & Girls’ Fund. The total amount awarded to the 19 organizations was $55,227 and the listing of these grants can be found on pages 13-14 of this Annual Report.

In addition to the competitive grant cycle every fall, the Women & Girls’ Fund Advisory Board established the Women & Girls’ Immediate Response Fund in 2002, which awards small grants to help women and girls who may be in need due to a particular life situation or unexpected financial hardship throughout the year. Preference is given to women and girls with needs in the areas of health and safety, self awareness, empowerment and enhancing opportunities.

Like the named funds above that benefit the grant cycle, the Donna Borysewicz Fund for Women was established to benefit the Women & Girls’ Immediate Response Fund.

In 2018, $52,180 in program grants were awarded to 19 organizations. In addition, three additional named funds at Main Street Community Foundation supported proposals submitted to the Women & Girls’ Fund. The total amount awarded to the 19 organizations was $55,227 and the listing of these grants can be found on pages 13-14 of this Annual Report.

John & Gloria DiFrancesco Fund for Women and Girls

This permanent fund was established in 2011 by John and Susan Scarratt to honor Susan’s parents, Gloria and John DiFrancesco, on the occasion of the 10th Anniversary Year of the Women & Girls’ Fund.

Barbara Hackman Franklin Fund for Women

This fund was established in 2011 in honor of Barbara Hackman Franklin by her family on the occasion of the 10th Anniversary Year of the Women & Girls’ Fund.

These two funds were established to benefit the initiatives identified by the Women & Girls’ Fund Advisory Board. It serves as a way to leave a legacy and create lasting change while supporting something important to these families, and taking advantage of the incredible leadership, process and procedures of the Women & Girls’ Fund. In 2018, $52,180 in program grants were awarded to 19 organizations.

Donna Borysewicz Fund for Women

This fund was established in 2015 in memory of Donna Borysewicz by her family and friends upon her passing after a courageous fight with a chronic illness. It was created in remembrance of her passion and love for helping others, especially women and children.

Over 400 people attended the 2018 Wonder of Women (WOW) event on April 24, 2018.
Friends of the Foundation

We gratefully acknowledge the Friends of Main Street listed on this page that generously supported our 2018 annual Friends Appeal. This annual campaign, overseen by past board member and founder Tom Barnes, provides necessary administrative financial support to advance the charitable activities of the Foundation to better serve your communities.

In appreciation, a donor and friends reception is hosted annually by a Foundation supporter. In 2018, the reception was hosted at Michael and Susan Brault’s beautiful home in Burlington. The reception gave the Foundation the opportunity to sincerely thank its many campaign donors and volunteers, especially all those who support the annual Friends Appeal and believe in the importance of local philanthropy. Through your contributions, you are generating good and creating possibilities for all.

Special appreciation to Dawn Nielsen for designing the invitation; and Garrett Printing & Graphics for their donation of printing. Sincere gratitude to Michael and Susan Brault for their generosity and hospitality that made this year’s Friends Reception a memorable experience.

Many thanks to all who support our annual Friends Appeal and who value the work of the Foundation. You can be proud of the comprehensive center for leadership and philanthropy you have created and helped to sustain for the benefit of your local communities both now and forever.

Gifts Received in 2018

We gratefully acknowledge the support of our donors and thank them for their gifts during the 2018 calendar year. If we have inadvertently failed to note your contribution, please let us know so that we may acknowledge it in a future publication.
Duty and her first time competing – and she received a medal!

Albuquerque to participate. It was her first time leaving Connecticut since she was in active

Age games, and Earla was one of the veterans who trained at the facility before travelling to

like her second family. Chapter 126 was a designated training facility for the Veteran’s Golden

families during deployment. Earla, pictured here, is a veteran and Chapter 126 has become

with disabilities. The programs are resources for the veteran and military family community

specifically designed to help returning veterans get back on their feet, and to support their families during deployment. Earla, pictured here, is a veteran and Chapter 126 has become

like her second family. Chapter 126 was a designated training facility for the Veteran’s Golden

Age games, and Earla was one of the veterans who trained at the facility before travelling to

Albuquerque to participate. It was her first time leaving Connecticut since she was in active
duty and her first time competing – and she received a medal!

*Anne Frank*
The Lock Museum of America in Plymouth has created an entertaining way for the public to learn about the history of lockmaking – an adventure room. The Museum opened The Lock Museum Adventure, an interactive game where puzzles and riddles are deciphered to open locks and antique safes to solve a mystery within five rooms in the Museum. As this game becomes more popular, more and more visitors are coming to the Museum, which preserves the history of lockmaking, especially its contribution to the industrial heritage of central Connecticut, and houses the largest collection of locks and keys in the United States. To enhance visitor experience and make the exhibits more attractive and easier to see, a $1,500 grant from the Bristol Brass General Grant Fund was awarded to the Museum to provide new LED lighting for display cases.
First grade students from Plainville had the opportunity to complete the First Wave program at the Wheeler Regional Family YMCA for free thanks to a $3,000 grant from the Bristol Brass General Grant Fund and the Turkus Family Fund. The six-week program encompasses water adventures, teaching dozens of first graders water safety, basic swim lesson skills and character building topics. Wheeler Regional Family YMCA Aquatics Staff first meet with teachers and students before sessions begin for a fun and informative assembly on water safety.
The M.A.T.H. (Music, Art, Technology and History) Carousel tour program brings second grade students into the New England Carousel Museum. Each child experiences a dynamic, hands-on learning program about the music, art, technology, and history of the carousel that supports their classroom curriculum. First piloted in 2017 for Bristol students with a grant from Main Street Community Foundation, a $5,000 grant in 2018 from the Bristol Savings Bank Fund, the Sid Bernard & Ed Miller Children’s Fund for the Visual Arts and the Fuller and Myrtle Barnes Fund for Education expanded this program so additional Bristol students could experience the magic of the New England Carousel Museum.
2018 Governance

Main Street Community Foundation welcomes volunteers from our local communities to serve as committee members. If you are interested in this opportunity, please contact us.
