BRISTOL - The Main Street Community Foundation's annual Scholarship Reception will award more than \$200,000 June 11 at the DoubleTree by Hilton.

As of Friday, 165 scholarships are being awarded to 137 students (some receiving multiple scholarships) from 72 individually named funds. Recipients will include students at primary and secondary schools, as well as some attending local private schools, community colleges, four-year colleges and universities, vocational schools and military academies.

Susan Sadecki, president and CEO of the Main Street Community Foundation, said the reception has been held for more than 20 years and awards more money every year.

"As our funds continue to grow, our scholarships are able to provide more to students," she said. "This reception was first held at the American Clock and Watch Museum's garden and we had maybe a half-dozen recipients. We have grown tremendously since then."

The event is not open to the public, with invitations going to scholarship recipients and their families.

"It is an opportunity for students to meet representatives of many of the funds who are awarding them grants," said Sadecki. "That way, they can understand that they are benefitting from someone who was interested in their education."

The reception will begin at 5:30 p.m., at the DoubleTree, June 11.
