SOUTHINGTON - A total of 41 organizations representing a range of programs and projects received $126,459 in grant awards during the Main Street Community Foundation’s 2019 General Grant Cycle.

Aquatics safety, leadership skills, expanding audiences, veterans support - those are a few ways that the grants awarded will inspire, affect and touch the residents living and working in Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott. The grants were awarded from 33 endowed funds established by donors to support the local community and the causes they care about.

“We are thrilled to be announcing $126,459 in grants, thanks to the generous donors who have established and built these funds to strengthen our communities and support our neighbors,” said Susan Sadecki, president and CEO of the foundation.
