which Main Street Community Foundation established in 2016 to make it possible for men and boys to improve the quality of their lives, increase self-sufficiency, and make a positive difference in their community. The Fund serves Bristol, Burlington, Plainville, Plymouth, Southington, and Wolcott and has awarded a total of over \$28,000 in program and immediate response grants.

“This is a fun-raiser, not just a fundraiser,” said Rich Carmelich, the Fund’s Advisory Board Chair. “The main purpose is to provide men, boys, and their families with a fun-filled event while supporting their neighbors.” For more information on the event or the Men & Boys’ Fund, visit www.mainstreetfoundation.org or call the Foundation at 860.583.6363.
