Girl Scouts of Connecticut is more than 27,000 members strong – over 18,000 youth and 9,000 adults - who believe that every girl can change the world.

Girl Scouts bring their dreams to life and work together to build a better world. Girl Scouts of all backgrounds and abilities are unapologetically themselves as they discover their strengths and rise to meet new challenges – whether they want to climb to the top of a tree or the top of their class, lace up their boots for a hike or advocate for climate justice, or make their first best friends. Backed by trusted adult volunteers, mentors, and millions of alums, Girl Scouts lead the way as they find their voices and make changes that affect the issues most important to them.

Our extraordinary journey began more than 100 years ago with Juliette Gordon “Daisy” Low. On March 12, 1912, in Savannah, Georgia, she organized the very first Girl Scout troop. Since that date, we’ve honored Juliette’s vision and legacy, building girls of courage, confidence, and character, who make the world a better place. As the preeminent leadership development organization for girls, we offer every girl a chance to practice a lifetime of leadership, adventure, and success.

To volunteer, reconnect, donate, or join, visit gsocfct.org.

Gifts of Time

- Volunteer adult facilitators to lead children’s events.
- Adult volunteers able to assist with seasonal activities, lead a Girl Scout troop, or assist an existing troop in the community.
