POSTED BY: DAVID FORTIER MARCH 2, 2023

Two scholarships sponsored by NESMA (New England Spring and Metalstamping Association) are approaching their March 10 application deadline.

The \$2,500 scholarships are available through the Main Street Community Foundation. Award 1 is for a graduating senior attending high school in a New England state. Award 2 is for a graduating senior, currently enrolled student or returning student who is a child or grandchild of an employee or owner of a current NESMA member.

A third scholarship, \$10,000 from The Stanley P. Bitel Memorial Fund, is also available. Bitel founded Rowley Spring and Stamping Corp.

High school students or continuing learners can apply for this scholarship to aid in tuition for careers in manufacturing. Qualified training includes: apprenticeship programs, technical education, trade schools, or 4 year degree in business or engineering as it relates to careers in manufacturing.

To more information and to apply, click [here](#).
