Services (BPRYCS) will host its second annual "Dinner on the Diamond" May 13 at Muzzy Field and will honor former Mayor Ellen Zoppo-Sassu as "All Heart Park Advocate of the Year."

The Dinner on the Diamond will be held from 5 to 8 p.m. May 13 at Muzzy Field, with a rain date of Saturday, May 20. The evening will feature live music from local band "Southern Voice" and catering provided by Greenhouse Tavern and Café. Guests will enjoy drinks, a four-course meal, entertainment and a rare view from the playing field with tables set up on the infield, while supporting the Bristol parks system. All profits from the evening will go toward the "Friends of Bristol Parks and Recreation Fund" through the Main Street Community Foundation. This fund is used to support coalition and community driven projects, programs, volunteerism and stewardship initiatives.

"Dinner on the Diamond is the department's largest fundraising effort of the year, where we celebrate and thank community partners for their ongoing support in front of local leaders, business owners, and dedicated community members and park users," said Josh Medeiros, superintendent of the Department of Parks, Recreation, and Youth and Community Services.

This year, Medeiros said, the city will be adding a new "All Heart Park Advocate of the Year Award" into the program.

“Parks are a quality of life indicator for the community,” she said. “I am very proud of all of the accomplishments that we as a team were able to get done for future generations to enjoy, including the recent acquisition of Pigeon Hill off of Shrub Road.”
