Foundation accepting grant applications

BURLINGTON — Main Street Community Foundation (MSCF) is currently accepting applications for grants distributed from the Burlington Community Fund. Nonprofit organizations serving Burlington residents are encouraged to apply. The Online Grants Center can be accessed through the Foundation’s website, www.mainstreetfoundation.org, and includes the application, the full guidelines and eligibility criteria. All proposals are due Aug. 27 at 4 p.m.

Consideration for grant awards from the Burlington Community Fund will be given to, but not limited to, proposals requesting support for charitable projects in the areas of community outreach, arts/culture, youth programs, education, health, human services and the environment.

Interested organizations should contact Kate Kerchaert, Director of Grants & Programs, at kate@mainstreetfoundation.org or 860-583-6363 for a preliminary discussion of their proposal at least 7 business days prior to the deadline.

The Burlington Community Fund was established in 2011 at MSCF by a group of committed community leaders in Burlington who were interested in creating an additional resource for charitable projects and programs that would enhance the lives of Burlington residents. Either the organization or the program for which funding is requested must be located in Burlington and be of benefit to Burlington residents.

In addition, the Foundation is accepting applications for grants distributed from the Men & Boys' Fund. Nonprofit organizations with programs serving men and boys in Bristol, Burlington, Plainville, Plymouth, Southington and Wolcott are invited to apply. These proposals are also due on August 27.

All information is available on the Foundation's website, www.mainstreetfoundation.org.
