

## You Be the Grantmaker!

At the event all attendees will participate in the selection of the recipients of **ten Circa 1995 Grants** ranging from **\$1,000 to \$10,000!**

A total of **\$30,000** will be awarded from the Bristol Savings Bank Fund to celebrate the Foundation's 30th anniversary. Ten local 501(c)(3) nonprofit organizations were selected from an applicant pool and challenged with providing a vision for how their organization will make a difference in the next 30 years.

You will have the opportunity at **The Main Event** to cast your vote to determine who receives each grant including the top grant award of \$10,000. Join with us to be an honorary grantmaker that evening!
