By September, the Women & Girls Fund had awarded a record \$65,000 in grants in 2021, which was the fund's 20th anniversary year. The fund has provided more than \$665,000 in grants since its inception.

This year's Wonder of Women event will begin with a social hour from 5:30 to 7 p.m., which will include a silent auction, food stations and a cash bar and networking opportunities. This will be followed by the program from 7 to 8 p.m., with tap dancer and choreographer Ayodele Casel as a guest speaker. Dessert and coffee will be served during the program.

According to ayodelecasel.com, Casel, who was born in The Bronx and raised in Puerto Rico, began her professional training at New York University's Tish School of the Arts. Her origins in theater and love of tap-dance have contributed to the narrative nature of her work, which is rooted in an expression of identity, culture, language and communication.

Casel was featured on a 2021 US Postal Service Forever Stamp which honored the art of tap-dancing.

Tickets are \$65 per person. Those who plan to attend are asked to RSVP by April 15 by calling 860-583-6363.
