The weight room at Lewis S. Mills High School is getting a lift to benefit the student-athletes, now that the Burlington Community Fund at Main Street Community Foundation has awarded the high school a \$1,000 grant. Specifically, the grant will be used to purchase and install new mirrors to enhance the student-athletes' training. The grant was awarded during a small ceremony in late June at Lewis S. Mills High School. Above, Janet Schwartz of the Burlington Community Fund Advisory Council, along with Jarre Betts, Vice President of Programs at the Community Foundation, presents the grant to Christopher Rau, Principal of Lewis S. Mills High School, and David Francalanga, Athletic Director of Regional School District 10.
