Wade, co-chair of the Southington Education Foundation, said that the nonprofit received a \$42,802 grant from the Bradley Henry Barnes and Leila Upson Barnes Memorial Trust at the Main Street Community Foundation to support the program.

Wade said that the “Reading With Our Minds and Hearts” program “seeks to foster increased interest in reading, promote appreciation of diversity and invigorate students’ social emotional well-being.”

The banner features a photograph of children playing with large colorful balls in a play area labeled 'TODDLER TOWN'. To the right of the photo is the NASA logo and the text 'VIRGINIA AIR & SPACE CENTER'. The main title is 'Explore The SPACE' in a large, bold font, followed by the subtitle 'Amazing New Interactive Early Learners Gallery'. A blue button with the word 'Open' is positioned on the right side of the banner.
