Southington Public Library received a \$1,460 grant from the KAWFY Memorial Fund at the Main Street Community Foundation. This money will be used to provide supplies and assistive technology for 36 events related to the library's BELONG (Building Equitable Library Opportunities for Neurodiverse Groups) adult programming initiative.

"We believe BELONG manifests the Southington Library's values of continuous learning and development for the community and celebrating people for who they are," Librarian Lynn Pawloski said.
