MOVING FORWARD TOGETHER

*All Stressed Up &
No Place To Go*

*Leave the Stress Behind!
Join us for a stress less evening
of laughter and inspiration.*

*Guest Speaker
Lori Borgman*

Humor columnist Lori Borgman claims that America's most renewable resource is stress. She says stress is like crabgrass and middle-age spread. "You may tame it for a season, but sooner or later it sneaks right back up on you." In stressful times, Lori Borgman and laughter may be your best line of defense. Come prepared for a time of entertainment and encouragement.
